

## EXPLANATION OF CHANGES TO SENATE BILL 20:

Senate Health and Social Services Committee  
From 30-LS319\A to 30-LS0319\D

- Page 4, line 30, methylbenzamide  
This was misspelled in the original bill
- Page 4, line 31, New Section 2  
ADDS a new section
- Page 5, lines 1-6, inserts language to make tramadol a schedule IVA controlled substance  
ADDS Amendment Language: This brings Alaska in line with what has happened on a national level with tramadol becoming a schedule 4 drug federally.
