1	8	1	New	New	Administration	Appropriation		Alaska Land Mobile Radio System The Alaska Land Mobile Radio (ALMR) is an interoperable system that provides radio service to local, state and federal agencies. This project contributes towards the necessary upgrades to 911-dispatch and public safety radio communications system components in order to meet the state's requirements for its share of the ALMR system. This project provides a portion of the total funds needed to bring the State components current. An additional \$3 million is included in the Governor's FY2017 Supplemental Budget, bringing the combined project funding total to \$4,534,600.	\$1,534.6	\$0.0	\$0.0	\$0.0	\$1,534.6	1004 Gen Fund \$1,534.6

3	1	9	15	16	Commerce	Appropriation	Y	National Petroleum Reserve - Alaska Impact Grant Program This request amends the original Governor's FY2018 capital budget request by removing \$1,861,964 for a new requested total of \$1,378,346. This change is due to updated revenue estimates for FY2018, which results in FY2018 National Petroleum Reserve - Alaska (NPR-A) recommended awards to communities being lower than the estimate provided in the original Governor's FY2018 capital request. The NPR-A program provides grants to communities for public facilities and services. Priority is given to those communities directly or severely impacted by the leases and development of oil and gas within the NPR-A. Funding comes from the federal government as a share of the funds received on leases issued within NPR-A.	\$0.0	\$0.0	\$0.0	(\$1,862.0)	(\$1,862.0)	1063 NPR Fund -\$1,862.0

This change is due to the timing of approval of individual National Petroleum Reserve - Alaska grants. This project is to continue providing essential public and municipal services to Barrow residents: cemeteries, recreation facilities and activities, business licensing, alcohol registration services, taxicab regulation services, community boat ramps, multi-use facilities and gathering places, Department of Motor Vehicles (DMV) services, passport services, and municipal monitoring of laws and regulations pertaining to aboriginal Inupiat lands.	\$0.0	\$0.0	\$0.0	\$899.4	\$899.4	1063 NPR Fund \$899.4
