FISCAL NOTE ANALYSIS

STATE OF ALASKA
2017 LEGISLATIVE SESSION

BILL NO. SB 17

Analysis

Senate Bill 17 establishes the Stevens-Inouye University Exchange Program at the University of Alaska and the University of Hawaii. The bill creates an exchange program between the universities for eligible students and commemorates the decades-long friendship between Alaska Republican U.S. Senator Ted Stevens and Hawaii's Democratic U.S. Senator Daniel K. Inouye.

It is the intent of the program to use existing staff within the exchange offices. The fiscal impact of this legislation cannot be determined until the program details are further refined and the number of students that will participate in the exchange program is determined.

UA would need to revise university regulation to include the University of Hawaii in the list of schools that UA has reciprocal agreements with.
