Representative Gabrielle LeDoux

Dear Representative LeDoux,

Thank you for being a sponsor of HB 143.

I fully support the naming of The Alaska House Finance Corporation building to be the Daniel R. Fauske building. As you are aware, Mr. Fauske has done extraordinary things for the AHFC. He is an outstanding Alaskan, a kind man, loved by many. It was with great sadness that I found his lung tumor on X-ray at my clinic. It would bring me great joy to see his name forever remembered on this building.

Thank you for your support

Sincerely yours,

Todd E Curzie, DC, LCP, DPhCS, FPAC
