Resume Addendum:

I am the founding partner of Quintillion which is building new fiber optic cable infrastructure in Arctic, Alaska. This new system is reducing the cost of service and providing true high speed broadband that will help spur Alaska's economic growth. To ensure the success of this project I had to bring together people from across the country and the world to work together for success. I believe my proven abilities in problem-solving, collaboration and risk management will be a benefit to ALRA.
