Resume Addendum:

I have served as an industry member of the Alcoholic Beverage Control Board for an aggregate of 12 years. It is currently my honor to serve as Chair.

During my tenure we have embarked on a unique and successful project: to rewrite Title 4 to make it relevant to the needs of our State today. The effort, which brought together stakeholders from all areas of our society engaged in, or affected by the alcohol industry, began in May of 2012 and is nearing completion.

The effort, as with all we strive for at the Alcoholic Beverage Control Board, focuses on, and is there to serve the public interest.

I, and all us of involved, take great pride in this historic effort.

I hope the Governor will see fit to allow me to continue these good works

Dear Governor Walker,

It has been my honor to serve on the Alcoholic Beverage Control Board for the last several years, and I am writing to ask you to again appoint me to this important Board.

As you know, this Board has been engaged, since May of 2012, in the historic effort of rewriting Title 4, using a huge and diverse assembly of stakeholders. This enormous project is nearing completion, and I would ask that I be allowed to continue my role in guiding this new law through the legislative process, the regulations it will require, and the Board and staff work that will be required to implement the new updated rules.

Also, the requirements that the Marijuana initiative put on our staff cannot be understated. They have done an outstanding job of working with the Marijuana Control Board, the public, local governments and license applicants to bring this new industry into existence. This has obviously divided staff's attention. And the impact on the Alcoholic Beverage Control Board is that we have had to be more vigilant, knowledgeable and efficient than ever before. We hold our obligation to the Public Interest as paramount and have and will continue to make this our top priority.

This is a critical time for the Alcoholic Beverage Control Board, and I can and will be a positive force in its efforts if you will allow me to continue my service.

Sincerely,

A handwritten signature in blue ink, appearing to read "R. Klein", written over a horizontal line.
