3/27/17

Chairman Stutes, Members of the Fisheries Committee
I write today as the longtime Chairman of the Unalaska Advisory Committee and Mayor of the City of Unalaska in support of three Board of Fisheries candidates, two up for reappointment Chairman John Jensen, Petersburg, AK Mr. Reed Morisky, Fairbanks, AK and the appointment of Former Board Member Fritz Johnson of Dillingham, AK. I've worked with all three gentleman during many Board of Fisheries meetings, addressing various commercial, sport and subsistence issues, that effect the Unalaska Island and the fisheries resources of the Bering Sea/Aleutian Islands. I have the utmost respect, for each of the candidates they have experience, knowledge and commitment to the sustainability of the fisheries resources of Alaska. In closing: I give my highest recommendation to the committee on these three candidates and hope that you move them forward from your committee.

Best Regards

Frank Kelty
