 24 not be resold unless the securities are registered or qualify for an exemption from
 25 registration under AS 45.56.205, 45.56.210, or 45.56.240; in addition, the issuer shall
 26 make the disclosures required by 17 C.F.R. 230.147(f);

27 (11) the issuer shall require all purchasers to sign the following
 28 statement at the time of sale: "I acknowledge that I am investing in a high-risk,
 29 speculative business venture, that I may lose all of my investment, and that I can
 30 afford the loss of my investment";

31 (12) this exemption may not be used in conjunction with any other

1 exemption under this chapter, except the exemption to institutional investors under
 2 AS 45.56.405 and 45.56.435 and for offers and sales to controlling persons of the
 3 issuer; sales to controlling persons may not count toward the limitation in (3) of this
 4 subsection;

5 (13) this exemption may not be construed to remove any person from
 6 the anti-fraud provisions under AS 45.56.505 - 45.56.560, and the exemption may not
 7 be construed to provide relief from any other provision of this chapter other than as
 8 expressly stated.

9 (b) The administrator may by order deny or revoke the exemption specified in
 10 this section with respect to a specific security if the administrator finds that the sale of
 11 the security would work or tend to work a fraud on the purchasers of the security. An
 12 order under this subsection may not operate retroactively. A person may not be
 13 considered to have violated an order because of any offer or sale effected after the
 14 entry of an order under this subsection if the person sustains the burden of proof that
 15 the person did not know and, in the exercise of reasonable care, could not have known
 16 of the order.

17 (c) A person who makes application to the department for an exemption under
 18 this section shall be assessed a filing fee as prescribed in regulations for this section.

19 (d) In this section, "residency" has the meaning given in AS 01.10.055.

20 **Sec. 45.56.230. Disqualifier.** Exemption from registration under AS 45.56.205
 21 - 45.56.250 is not available for a security or transaction if the issuer, or any of its
 22 officers, controlling persons, or promoters, is subject to a disqualifier described in the
 23 regulations adopted under 15 U.S.C. 78c(a)(39) (Dodd-Frank Wall Street Reform and
 24 Consumer Protection Act) as of the date of the transaction or offer.

25 **Sec. 45.56.240. Waiver and modification.** For any security or transaction or
 26 any type of security or transaction, the administrator may by order, waive, withdraw,
 27 or modify any of the requirements or conditions of AS 45.56.205 - 45.56.250.

28 **Sec. 45.56.250. Denial, suspension, revocation, condition, or limitation of**
 29 **exemptions.** (a) Except with respect to a federal covered security or a transaction
 30 involving a federal covered security, an order under this chapter may deny, suspend
 31 application of, condition, limit, or revoke an exemption created under

AS 45.56.205(3)(C), (7), or (8), 45.56.210, or 45.56.220, or an exemption or waiver created under AS 45.56.240 with respect to a specific security, transaction, or offer. An order under this subsection may be issued only under the procedures in AS 45.56.360(d) or 45.56.650 and only prospectively.

(b) A person does not violate AS 45.56.105, 45.56.305 - 45.56.320, 45.56.340, 45.56.360, 45.56.550, or 45.56.665 by an offer to sell, offer to purchase, sale, or purchase effected after the entry of an order issued under this section if the person did not know and, in the exercise of reasonable care, could not have known, of the order.

Article 3. Registration of Securities and Notice Filing of Federal Covered Securities.

Sec. 45.56.305. Securities registration by coordination. (a) A security for which a registration statement has been filed under 15 U.S.C. 77a - 77aa (Securities Act of 1933) in connection with the same offering may be registered by coordination under this section.

(b) A registration statement and accompanying records under this section must contain or be accompanied by the following records, in addition to the information specified in AS 45.56.320, and a consent to service of process complying with AS 45.56.630:

(1) a copy of the latest form of prospectus filed under 15 U.S.C. 77a - 77aa (Securities Act of 1933);

(2) if the administrator requires, a copy of the articles of incorporation and bylaws or their substantial equivalents currently in effect; a copy of any other information or any other records filed by the issuer under 15 U.S.C. 77a - 77aa (Securities Act of 1933) requested by the administrator; a copy of any agreement with or among underwriters; a copy of any indenture or other instrument governing the issuance of the security to be registered; and a specimen, copy, or description of the security that is required by a regulation adopted or order issued under this chapter; and

(3) an undertaking to forward each amendment to the federal prospectus, other than an amendment that delays the effective date of the registration statement, promptly after it is filed with the Securities and Exchange Commission.

(c) A registration statement under this section becomes effective simultaneously with or subsequent to the federal registration statement when all the

1 following conditions are satisfied:

2 (1) a stop order under (d) of this section or AS 45.56.360 or issued by
3 the Securities and Exchange Commission is not in effect, and a proceeding is not
4 pending against the issuer under AS 45.56.485; and

5 (2) the registration statement has been on file for at least 20 days or a
6 shorter period provided by a regulation adopted or order issued under this chapter.

7 (d) The registrant shall promptly notify the administrator in a record of the
8 date when the federal registration statement becomes effective and the content of any
9 price amendment and shall promptly file a record containing the price amendment. If
10 the notice is not timely received, the administrator may issue a stop order, without
11 prior notice or hearing, retroactively denying effectiveness to the registration
12 statement or suspending its effectiveness until compliance with this section. The
13 administrator shall promptly notify the registrant of an order by telephone or
14 electronic means and promptly confirm this notice by a record. If the registrant later
15 complies with the notice requirements of this subsection, the stop order is void as of
16 the date of its issuance.

17 (e) If the federal registration statement becomes effective before each of the
18 conditions in this section is satisfied or is waived by the administrator, the registration
19 statement is automatically effective under this chapter when all the conditions are
20 satisfied or waived. If the registrant notifies the administrator of the date when the
21 federal registration statement is expected to become effective, the administrator shall
22 promptly notify the registrant by telephone or electronic means and promptly confirm
23 this notice by a record, indicating whether all the conditions are satisfied or waived
24 and whether the administrator intends the institution of a proceeding under
25 AS 45.56.360. The notice by the administrator does not preclude the institution of a
26 proceeding under AS 45.56.360.

27 **Sec. 45.56.310. Securities registration by qualification.** (a) A security may
28 be registered by qualification under this section.

29 (b) A registration statement under this section must contain the information or
30 records specified in AS 45.56.320, a consent to service of process complying with
31 AS 45.56.630, and the following information or records:

1 (1) with respect to the issuer and any significant subsidiary, the name,
2 address, and form of organization of the issuer and subsidiary; the state or foreign
3 jurisdiction and date of organization of the issuer and subsidiary; the general character

12 statement; the amount of the securities covered by the registration statement to which
13 the person has indicated an intention to subscribe; and a description of any material
14 interest of the person in any material transaction with the issuer or a significant
15 subsidiary effected within the previous three years or proposed to be effected;

16 (3) with respect to persons covered by (2) of this subsection, the

18 months and estimated to be paid during the next 12 months, directly or indirectly, by
19 the issuer and all predecessors, parents, subsidiaries, and affiliates of the issuer;

20 (4) with respect to a person owning of record or owning beneficially, if
21 known, 10 percent or more of the outstanding shares of any class of equity security of
22 the issuer, the information specified in (2) of this subsection, other than the person's
23 occupation;

24 (5) with respect to a promoter, if the issuer was organized within the
25 previous three years, the information or records specified in (2) of this subsection, any
26 amount paid to the promoter within that period or intended to be paid to the promoter,
27 and the consideration for the payment;

28 (6) with respect to a person on whose behalf any part of the offering is
29 to be made in a nonissuer distribution, the person's name and address; the amount of
30 securities of the issuer held by the person as of the date of the filing of the registration

6 each security outstanding or being registered or otherwise offered, and a statement of
7 the amount and kind of consideration, whether in the form of cash, physical assets,
8 services, patents, goodwill, or anything else of value, for which the issuer or any
9 subsidiary has issued its securities within the previous two years or is obligated to
10 issue its securities;

11 (8) the kind and amount of securities to be offered; the proposed
12 offering price or the method by which the offering price is to be computed; any
13 variation at which a proportion of the offering is to be made to a person or class of
14 persons other than the underwriters, with a specification of the person or class; the
15 basis on which the offering is to be made if otherwise than for cash; the estimated
16 aggregate underwriting and selling discounts or commissions and finders' fees,
17 including separately cash, securities, contracts, or anything else of value to accrue to
18 the underwriters or finders in connection with the offering or, if the selling discounts
19 or commissions are variable, the basis of determining them and their maximum and
20 minimum amounts; the estimated amounts of other selling expenses, including legal,
21 engineering, and accounting charges; the name and address of each underwriter and
22 each recipient of a finder's fee; a copy of any underwriting or selling group agreement
23 under which the distribution is to be made, or the proposed form of an underwriting or
24 selling group agreement whose terms have not yet been determined; and a description
25 of the plan of distribution of any securities that are to be offered other than through an
26 underwriter;

27 (9) the estimated monetary proceeds to be received by the issuer from
28 the offering; the purposes for which the proceeds are to be used by the issuer; the
29 estimated amount to be used for each purpose; the order or priority in which the
30 proceeds will be used for the purposes stated; the amounts of any funds to be raised
31 from other sources to achieve the purposes stated; the sources of the funds; and, if a

1 part of the proceeds is to be used to acquire property, including goodwill, other than in
2 the ordinary course of business, the names and addresses of the vendors, the purchase
3 price, the names of any persons that have received commissions in connection with the
4 acquisition, and the amounts of the commissions and other expenses in connection
5 with the acquisition, including the cost of borrowing money to finance the acquisition;

6 (10) a description of any stock options or other security options
7 outstanding or to be created in connection with the offering, and the amount of those
8 options held or to be held by each person required to be named in (2), (4), (5), (6), or
9 (8) of this subsection and by any person that holds or will hold 10 percent or more in
10 the aggregate of those options;

11 (11) the dates of, parties to, and general effect, concisely stated, of
12 each managerial or other material contract made or to be made other than in the
13 ordinary course of business to be performed in whole or in part at or after the filing of
14 the registration statement or that was made within the previous two years, and a copy
15 of each contract;

16 (12) a description of any pending litigation, action, or proceeding to
17 which the issuer is a party and that materially affects the issuer's business or assets and
18 any litigation, action, or proceeding known to be contemplated by a governmental
19 authority;

20 (13) a copy of any prospectus, pamphlet, circular, form letter,
21 advertisement, or other sales literature intended as of the effective date of the
22 registration statement to be used in connection with the offering and any solicitation of
23 interest used in compliance with AS 45.56.210(17)(B);

24 (14) a specimen or copy of the security being registered, unless the
25 security is uncertificated; a copy of the issuer's articles of incorporation and bylaws or
26 their substantial equivalents, in effect; and a copy of any indenture or other instrument
27 covering the security to be registered;

28 (15) a signed or conformed copy of an opinion of counsel concerning
29 the legality of the security being registered, with an English translation if the opinion
30 is in a language other than English, that states whether the security when sold will be
31 validly issued, fully paid, nonassessable, and, if a debt security, a binding obligation of

1 the issuer;

2 (16) a signed or conformed copy of a consent of any accountant,
3 engineer, appraiser, or other person whose profession gives authority for a statement
4 made by the person if the person is named as having prepared or certified a report or
5 valuation, other than an official record, that is public, and that is used in connection
6 with the registration statement;

7 (17) a balance sheet of the issuer as of a date within four months
8 before the filing of the registration statement; a statement of income and a statement of
9 cash flows for each of the three fiscal years preceding the date of the balance sheet and
10 for any period between the close of the immediately previous fiscal year and the date
11 of the balance sheet, or for the period of the issuer's and any predecessor's existence if
12 less than three years; and, if any part of the proceeds of the offering is to be applied to
13 the purchase of a business, the financial statements that would be required if that
14 business were the registrant; and

15 (18) any additional information or records required by a regulation
16 adopted or order issued under this chapter.

17 (c) A registration statement under this section becomes effective when the
18 administrator orders that the registration is effective.

19 (d) A regulation adopted or order issued under this chapter may require as a
20 condition of registration under this section that a prospectus containing a specified part
21 of the information or record specified in (b) of this section be sent or given to each
22 person to which an offer is made before or concurrently with the earliest of

23 (1) the first offer made in a record to the person other than by means of
24 a public advertisement, by or for the account of the issuer or another person on whose
25 behalf the offering is being made or by an underwriter or broker-dealer that is offering
26 part of an unsold allotment or subscription taken by the person as a participant in the
27 distribution;

28 (2) the confirmation of a sale made by or for the account of the person;

29 (3) payment under the sale; or

30 (4) delivery of the security under the sale.

31 **Sec. 45.56.320. Securities registration filings.** (a) A registration statement

1 may be filed by the issuer, a person on whose behalf the offering is to be made, or a
2 broker-dealer registered under this chapter.

3 (b) A person filing a registration statement shall pay a filing fee established by
4 a regulation adopted under this chapter and consent to service of process as described
5 under AS 45.56.630.

6 (c) A registration statement filed under AS 45.56.305 or 45.56.310 must
7 specify

8 (1) the amount of securities to be offered in this state;

9 (2) the states in which a registration statement or similar record in
10 connection with the offering has been or is to be filed; and

11 (3) any adverse order, judgment, or decree issued in connection with
12 the offering by a state securities regulator, the Securities and Exchange Commission,
13 or a court.

14 (d) A record filed under this chapter or former AS 45.55 within five years
15 preceding the filing of a registration statement may be incorporated by reference in the
16 registration statement to the extent that the record is currently accurate.

17 (e) In the case of a nonissuer distribution, information or a record may not be
18 required under (i) of this section or AS 45.56.310 unless it is known to the person
19 filing the registration statement or to the person on whose behalf the distribution is to
20 be made or unless it can be furnished by those persons without unreasonable effort or
21 expense.

22 (f) A regulation adopted or order issued under this chapter may require as a
23 condition of registration that a security issued within the previous five years or to be
24 issued to a promoter for a consideration substantially less than the public offering
25 price or to a person for a consideration other than cash be deposited in escrow and that
26 the proceeds from the sale of the registered security in this state be impounded until
27 the issuer receives a specified amount from the sale of the security, either in this state
28 or elsewhere. The conditions of any escrow or impoundment required under this
29 subsection may be established by a regulation adopted or order issued under this
30 chapter, but the administrator may not reject a depository institution solely because of
31 its location in another state.

1 (g) A regulation adopted or order issued under this chapter may require as a
2 condition of registration that a security registered under this chapter be sold only on a
3 specified form of subscription or sale contract and that a signed or conformed copy of
4 each contract be filed under this chapter or preserved for a period specified by the
5 regulation or order, not to exceed five years.

6 (h) Except while a stop order is in effect under AS 45.56.360, a registration
7 statement is effective for one year after the effective date of the registration statement
8 or for any longer period designated in an order under this chapter during which the
9 security is being offered or distributed in a nonexempted transaction by or for the
10 account of the issuer or other person on whose behalf the offering is being made or by
11 an underwriter or broker-dealer that is still offering part of an unsold allotment or
12 subscription taken as a participant in the distribution. For the purposes of a nonissuer
13 transaction, all outstanding securities of the same class identified in the registration
14 statement as a security registered under this chapter are considered to be registered
15 while the registration statement is effective. If any securities of the same class are
16 outstanding, a registration statement may not be withdrawn until one year after the
17 effective date of the registration statement. A registration statement may be withdrawn
18 only with the approval of the administrator.

19 (i) While a registration statement is effective, a regulation adopted or order
20 issued under this chapter may require the person that filed the registration statement to
21 file reports, not more often than quarterly, to keep the information or other record in
22 the registration statement reasonably current and to disclose the progress of the
23 offering.

24 (j) A registration statement may be amended after the effective date of the
25 registration statement. The post-effective amendment becomes effective when the
26 administrator so orders. If a post-effective amendment is made to increase the number
27 of securities specified to be offered or sold, the person filing the amendment shall pay
28 a registration fee established by a regulation adopted under this chapter. A post-
29 effective amendment relates back to the date of the offering of the additional securities
30 being registered if, within one year after the date of the sale, the amendment is filed
31 and the additional registration fee is paid.

1 **Sec. 45.56.330. Notice filing of federal covered securities.** (a) With respect to
 2 a federal covered security, as defined in 15 U.S.C. 77r(b) (Securities Act of 1933), that
 3 is not otherwise exempt under AS 45.56.205 - 45.56.240, a regulation adopted or order
 4 issued under this chapter may require the filing of any or all of the following records:

5 (1) before the initial offer of a federal covered security in this state, all
 6 records that are part of a federal registration statement filed with the Securities and
 7 Exchange Commission under 15 U.S.C. 77a - 77aa (Securities Act of 1933), a consent
 8 to service of process complying with AS 45.56.630 signed by the issuer, and the
 9 payment of a fee established in a regulation adopted under this chapter;

10 (2) after the initial offer of the federal covered security in this state, all
 11 records that are part of an amendment to a federal registration statement filed with the
 12 Securities and Exchange Commission under 15 U.S.C. 77a - 77aa (Securities Act of
 13 1933); and

14 (3) to the extent necessary or appropriate to compute fees, a report of
 15 the value of the federal covered securities sold or offered to persons present in this
 16 state if the sales data are not included in records filed with the Securities and
 17 Exchange Commission and payment of a fee established in a regulation adopted under
 18 this chapter.

19 (b) A notice filing under (a) of this section is effective for one year
 20 commencing on the later of the notice filing or the effectiveness of the offering filed
 21 with the Securities and Exchange Commission. On or before expiration, the issuer
 22 may renew a notice filing by filing with the Securities and Exchange Commission a
 23 copy of those records filed by the issuer that are required by a regulation adopted or
 24 order issued under this chapter to be filed and by paying a renewal fee established in a
 25 regulation adopted under this chapter. A previously filed consent to service of process
 26 complying with AS 45.56.630 may be incorporated by reference in a renewal. A
 27 renewed notice filing becomes effective upon the expiration of the filing being
 28 renewed.

29 (c) With respect to a security that is a federal covered security under 15 U.S.C.
 30 77r(b)(4)(D) (Securities Act of 1933), a regulation adopted under this chapter may
 31 require a notice filing by or on behalf of an issuer to include a copy of Form D,

1 including the Appendix, as adopted by the Securities and Exchange Commission, and
 2 a consent to service of process complying with AS 45.56.630 signed by the issuer not
 3 later than 15 days after the first sale of the federal covered security in this state and the
 4 payment of a fee established in a regulation adopted under this chapter; and the
 5 payment of a fee established in a regulation adopted under this chapter for any late
 6 filing.

7 (d) Except with respect to a federal covered security under 15 U.S.C. 77r(b)(1)
 8 (Securities Act of 1933), if the administrator finds that there is a failure to comply
 9 with a notice or fee requirement of this section, the administrator may issue a stop
 10 order suspending the offer and sale of a federal covered security in this state. If the
 11 deficiency is corrected, the stop order is void as of the time of its issuance and a
 12 penalty may not be imposed by the administrator.

13 **Sec. 45.56.340. Viatical settlement interests.** (a) Before the sale of a viatical
 14 settlement interest, an issuer shall provide a prospective buyer with information that is
 15 sufficient to make an informed investment decision. The issuer shall also provide the
 16 information to the administrator upon request if the issuer is not otherwise required to
 17 file the information with the administrator. In this subsection, "information that is
 18 sufficient to make an informed investment decision" includes state-mandated
 19 disclosure forms and a disclosure of any significant factors that may affect the
 20 outcome of the investment.

21 (b) Except as may be required in the course of conduct of the responsibilities
 22 of the administrator, an issuer of a viatical settlement interest may not disclose to
 23 another person the identity of the viator or insured of the insurance policy that is the
 24 subject of the viatical settlement interest. The viator may waive this prohibition
 25 against disclosure if the waiver is in writing and signed by the viator.

26 (c) The administrator shall regulate transactions between a viatical settlement
 27 provider or person acting as an agent of a viatical settlement provider and a
 28 subsequent investor, while the authority of the director of the division of insurance
 29 extends to the regulation of viatical settlement contracts under AS 21.96.110.

30 (d) In this section,

31 (1) "viatical settlement contract" has the meaning given in

1 AS 21.96.110(h);

2 (2) "viatical settlement interest"

3 (A) means the entire interest or any fractional interest in a life
4 insurance policy or in the death benefit under a life insurance policy that is the
5 subject of a viatical settlement contract;

6 (B) does not include the initial purchase from the viator by a
7 viatical settlement provider;

8 (3) "viatical settlement provider" has the meaning given in
9 AS 21.96.110(h);

10 (4) "viator" has the meaning given in AS 21.96.110(h).

11 **Sec. 45.56.350. Waiver and modification.** The administrator may waive or
12 modify, in whole or in part, any or all of the requirements of AS 45.56.305 and
13 45.56.320 or the requirement of any information or record in a registration statement
14 or in a periodic report filed under AS 45.56.320(i).

15 **Sec. 45.56.360. Denial, suspension, and revocation of securities**
16 **registration.** (a) The administrator may issue a stop order denying effectiveness to, or
17 suspending or revoking the effectiveness of, a registration statement if the
18 administrator finds that the order is in the public interest and that

19 (1) the registration statement as of the effective date of the registration
20 statement or before the effective date in the case of an order denying effectiveness, an
21 amendment under AS 45.56.320(j) as of the effective date of the amendment, or a
22 report under AS 45.56.320(i) is incomplete in a material respect or contains a
23 statement that, in the light of the circumstances under which it was made, was false or
24 misleading with respect to a material fact;

25 (2) this chapter or a regulation adopted, order issued, or condition
26 imposed under this chapter has been wilfully violated in connection with the offering
27 by

28 (A) the person filing the registration statement;

29 (B) the issuer, a partner, officer, or director of the issuer or a
30 person having a similar status or performing a similar function;

31 (C) a promoter of the issuer;

(D) a person directly or indirectly controlling or controlled by the issuer, but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer; or

(E) an underwriter;

(3) the security registered or sought to be registered is the subject of a permanent or temporary injunction of a court of competent jurisdiction or an administrative stop order or similar order issued under any federal, foreign, or state law other than this chapter applicable to the offering; the administrator may not institute a proceeding against an effective registration statement under this paragraph more than one year after the date of the order or injunction on which it is based, and the administrator may not issue an order under this paragraph based on an order or injunction issued under the securities act of another state unless the order or injunction was based on conduct that would constitute, as of the date of the order, a ground for a stop order under this section;

(4) the issuer's enterprise or method of business includes or would include activities that are unlawful where performed;

(5) with respect to a security sought to be registered under AS 45.56.305, there has been a failure to comply with the undertaking required by AS 45.56.305(b)(3);

(6) the applicant or registrant has not paid the filing fee; the administrator shall void the order if the deficiency is corrected and the order was based solely on the nonpayment of the filing fee; or

(7) the offering

(A) will work or tend to work a fraud on purchasers or would operate to work or tend to work a fraud on purchasers;

(B) has been or would be made with unreasonable amounts of underwriters' and sellers' discounts, commissions, or other compensation, or promoters' profits or participations, or unreasonable amounts or kinds of options; or

(C) is being made on terms that are unfair, unjust, or inequitable.

9 the registration is denied. A regulation adopted or order issued under this chapter may
10 set an earlier effective date or may defer the effective date until noon on the 45th day
11 after the filing of any amendment completing the application.

12 (d) A registration is effective until midnight on December 31 of the year for
13 which the application for registration is filed. Unless an order is in effect under
14 AS 45.56.485, a registration may be automatically renewed each year by filing the
15 records required by a regulation adopted or order issued under this chapter, by paying
16 the fee specified in AS 45.56.470, and by paying costs charged by the designee of the
17 administrator for processing the filings.

18 (e) A regulation adopted or order issued under this chapter may impose other
19 conditions, not inconsistent with 15 U.S.C. 77b, 77c, 77e, 77f, 77r, 77z-3, 77ddd, 78b
20 - 78d, 78g, 78h, 78n, 78o, 78q, 78bb, 78ee, 78kk, 78mm, 80a-2, 80a-3, 80a-6, 80a-12,
21 80a-24, 80a-26, 80a-27, 80a-29, 80a-30, 80a-34, 80a-51, 80a-54, 80a-60, 80a-63, 80b-
22 2, 80b-3a, 80b-5, 80b-10, 80b-18a, and 80b-20, and 29 U.S.C. 1002 (National
23 Securities Markets Improvement Act of 1996). An order issued under this chapter may
24 waive, in whole or in part, specific requirements in connection with registration that
25 are in the public interest and for the protection of investors.

26 **Sec. 45.56.455. Succession and change in registration of broker-dealer or**
27 **investment adviser.** (a) A broker-dealer or investment adviser may succeed to the
28 current registration of another broker-dealer or investment adviser or a notice filing of
29 a federal covered investment adviser, and a federal covered investment adviser may
30 succeed to the current registration of an investment adviser or notice filing of another
31 federal covered investment adviser, by filing as a successor an application for

1 registration under AS 45.56.405 or 45.56.435 or a notice under AS 45.56.445 for the
2 unexpired portion of the current registration or notice filing.

3 (b) A broker-dealer or investment adviser that changes its form of
4 organization or state of incorporation or organization may continue its registration by
5 filing an amendment to its registration if the change does not involve a material
6 change in its financial condition or management. The amendment becomes effective
7 when filed or on a date designated by the registrant in its filing. The new organization
8 is a successor to the original registrant for the purposes of this chapter. If there is a
9 material change in financial condition or management, the broker-dealer or investment
10 adviser shall file a new application for registration. A predecessor registered under this
11 chapter shall stop conducting its securities business other than winding down
12 transactions and shall file for withdrawal of broker-dealer or investment adviser
13 registration within 45 days after filing its amendment to effect succession.

14 (c) A broker-dealer or investment adviser that changes its name may continue
15 its registration by filing an amendment to its registration. The amendment becomes
16 effective when filed or on a date designated by the registrant.

17 (d) A change of control of a broker-dealer or investment adviser may be made
18 in accordance with a regulation adopted or order issued under this chapter.

19 **Sec. 45.56.460. Termination of employment or association of agent and**
20 **investment adviser representative and transfer of employment or association. (a)**

21 If an agent registered under this chapter terminates employment by or association with
22 a broker-dealer or issuer, or if an investment adviser representative registered under
23 this chapter terminates employment by or association with an investment adviser or
24 federal covered investment adviser, or if either registrant terminates activities that
25 require registration as an agent or investment adviser representative, the broker-dealer,
26 issuer, investment adviser, or federal covered investment adviser shall promptly file a
27 notice of termination. The registrant may file the notice of termination if the registrant
28 learns that the broker-dealer, issuer, investment adviser, or federal covered investment
29 adviser has not filed the notice.

30 (b) If an agent registered under this chapter terminates employment by or
31 association with a broker-dealer registered under this chapter and begins employment

1 by or association with another broker-dealer registered under this chapter, or if an
 2 investment adviser representative registered under this chapter terminates employment
 3 by or association with an investment adviser registered under this chapter or a federal
 4 covered investment adviser that has filed a notice under AS 45.56.445 and begins
 5 employment by or association with another investment adviser registered under this
 6 chapter or a federal covered investment adviser that has filed a notice under
 7 AS 45.56.445, then, within 30 days after the termination, upon the filing by or on
 8 behalf of the registrant of an application for registration that complies with the
 9 requirement of AS 45.56.450(a) and payment of the filing fee required under
 10 AS 45.56.470, the registration of the agent or investment adviser representative is

11 (1) immediately effective as of the date of the completed filing, if the
 12 agent's record or successor record in the Central Registration Depository operated by
 13 the Financial Industry Regulatory Authority or the investment adviser representative's
 14 record or successor record in the Investment Adviser Registration Depository operated
 15 by the Financial Industry Regulatory Authority does not contain a new or amended
 16 disciplinary disclosure within the previous 12 months; or

17 (2) temporarily effective as of the date of the completed filing, if the
 18 agent's record or successor record in the Central Registration Depository operated by
 19 the Financial Industry Regulatory Authority or the investment adviser representative's
 20 record or successor record in the Investment Adviser Registration Depository operated
 21 by the Financial Industry Regulatory Authority contains a new or amended
 22 disciplinary disclosure within the preceding 12 months.

23 (c) The administrator may withdraw a temporary registration if there are or
 24 were grounds for discipline as specified in AS 45.56.485 and the administrator does so
 25 within 30 days after the filing of the application. If the administrator does not
 26 withdraw the temporary registration within the 30-day period, registration becomes
 27 automatically effective on the 31st day after filing.

28 (d) The administrator may prevent the effectiveness of a transfer of an agent
 29 or investment adviser representative under (b)(1) or (2) of this section based on the
 30 public interest and the protection of investors.

31 (e) If the administrator determines that a registrant or applicant for registration

1 is no longer in existence, has ceased to act as a broker-dealer, agent, investment
 2 adviser, or investment adviser representative, is the subject of an adjudication of
 3 incapacity, is subject to the control of a committee, conservator, or guardian, or cannot
 4 reasonably be located, a regulation adopted or order issued under this chapter may
 5 require that the registration be cancelled or terminated or the application be denied.
 6 The administrator may reinstate a cancelled or terminated registration, with or without
 7 hearing, and may make the registration retroactive.

8 **Sec. 45.56.465. Withdrawal of registration of broker-dealer, agent,**
 9 **investment adviser, and investment adviser representative.** Withdrawal of
 10 registration by a broker-dealer, agent, investment adviser, or investment adviser
 11 representative becomes effective 60 days after the filing of the application to withdraw
 12 or within any shorter period as provided by a regulation adopted or order issued under
 13 this chapter unless a revocation or suspension proceeding is pending when the
 14 application is filed. If a proceeding is pending, withdrawal becomes effective when
 15 and upon the conditions required by a regulation adopted or order issued under this
 16 chapter. The administrator may institute a revocation or suspension proceeding under
 17 AS 45.56.485 within one year after the withdrawal became effective automatically and
 18 issue a revocation or suspension order as of the last date on which registration was
 19 effective if a proceeding is not pending.

20 **Sec. 45.56.470. Fees.** (a) The administrator shall establish fees by regulation
 21 for

22 (1) an initial filing of an application as a broker-dealer and renewal of
 23 an application by a broker-dealer for registration;

24 (2) an application for registration as an agent and renewal of
 25 registration as an agent;

26 (3) an application for registration as an investment adviser and renewal
 27 of registration as an investment adviser;

28 (4) an application for registration as an investment adviser
 29 representative, a renewal of registration as an investment adviser representative, and a
 30 change of registration as an investment adviser representative; and

31 (5) an initial fee and annual notice fee for a federal covered investment

1 adviser required to file a notice under AS 45.56.445.

2 (b) A person required to pay a filing or notice fee under this section may
3 transmit the fee through or to a designee as provided by a regulation adopted or order
4 issued under this chapter.

5 (c) The administrator may establish other fees by regulation as necessary to
6 administer this chapter.

7 **Sec. 45.56.475. Post registration requirements.** (a) Subject to 15 U.S.C.
8 78o(i) or 80b-18a, a regulation adopted or order issued under this chapter may
9 establish minimum financial requirements for broker-dealers registered or required to
10 be registered under this chapter and investment advisers registered or required to be
11 registered under this chapter.

12 (b) Subject to 15 U.S.C. 78o(i) or 80b-18a, a broker-dealer registered or
13 required to be registered under this chapter and an investment adviser registered or
14 required to be registered under this chapter shall file the financial reports required by a
15 regulation adopted or order issued under this chapter. If the information contained in a
16 record filed under this subsection is or becomes inaccurate or incomplete in a material
17 respect, the registrant shall promptly file a correcting amendment.

18 (c) Subject to 15 U.S.C. 78o(i) or 80b-18a,

19 (1) a broker-dealer registered or required to be registered under this
20 chapter and an investment adviser registered or required to be registered under this
21 chapter shall make and maintain the accounts, correspondence, memoranda, papers,
22 books, and other records required by a regulation adopted or order issued under this
23 chapter;

24 (2) broker-dealer records required to be maintained under (1) of this
25 subsection may be maintained in any form of data storage acceptable under 15 U.S.C.
26 78q(a) if they are readily accessible to the administrator; and

27 (3) investment adviser records required to be maintained under (1) of
28 this subsection may be maintained in any form of data storage required by a regulation
29 adopted or order issued under this chapter.

30 (d) The records of a broker-dealer registered or required to be registered under
31 this chapter and of an investment adviser registered or required to be registered under

1 this chapter are subject to the reasonable periodic, special, or other audits or
2 inspections by a representative of the administrator, in or outside this state, that the
3 administrator considers necessary or appropriate in the public interest and for the
4 protection of investors. An audit or inspection may be made at any time and without
5 prior notice. The administrator may copy and remove for audit or inspection copies of
6 all records the administrator reasonably considers necessary or appropriate to conduct
7 the audit or inspection. The administrator may assess a reasonable charge for
8 conducting an audit or inspection under this subsection.

9 (e) Subject to 15 U.S.C. 78o(i) or 80b-18a, a regulation adopted or order
10 issued under this chapter may require a broker-dealer or investment adviser that has
11 custody of or discretionary authority over funds or securities of a customer or client to
12 obtain insurance or post a bond or other satisfactory form of security in an amount
13 established by a regulation adopted under this chapter. The administrator may
14 determine the requirements of the insurance, bond, or other satisfactory form of
15 security. Insurance or a bond or other satisfactory form of security may not be required
16 of a broker-dealer registered under this chapter whose net capital exceeds, or of an
17 investment adviser registered under this chapter whose minimum financial
18 requirements exceed, the amounts required by a regulation adopted or order issued
19 under this chapter. The insurance, bond, or other satisfactory form of security must
20 permit an action by a person to enforce any liability on the insurance, bond, or other
21 satisfactory form of security if instituted within the time limitations in
22 AS 45.56.660(j)(2).

23 (f) Subject to 15 U.S.C. 78o(i) or 80b-18a, an agent may not have custody of
24 funds or securities of a customer except under the supervision of a broker-dealer, and
25 an investment adviser representative may not have custody of funds or securities of a
26 client except under the supervision of an investment adviser or a federal covered
27 investment adviser. A regulation adopted or order issued under this chapter may
28 prohibit, limit, or impose conditions on a broker-dealer regarding custody of funds or
29 securities of a customer and on an investment adviser regarding custody of securities
30 or funds of a client.

31 (g) With respect to an investment adviser registered or required to be

1 registered under this chapter, a regulation adopted or order issued under this chapter
 2 may require that information or other records be furnished or disseminated to clients
 3 or prospective clients in this state as necessary or appropriate in the public interest and
 4 for the protection of investors and advisory clients.

5 (h) A regulation adopted or order issued under this chapter may require an
 6 individual registered under AS 45.56.430 or 45.56.440 to participate in a continuing
 7 education program approved by the Securities and Exchange Commission and
 8 administered by a self-regulatory organization, or, in the absence of a continuing
 9 education program, a regulation adopted or order issued under this chapter may
 10 require continuing education for an individual registered under AS 45.56.440.

11 **Sec. 45.56.480. Protecting older and vulnerable adults from financial**
 12 **exploitation.** (a) If a qualified individual reasonably believes that the financial
 13 exploitation of a covered adult may have occurred, may have been attempted, or is
 14 being attempted, the qualified individual shall promptly notify adult protective
 15 services and the administrator.

16 (b) If a qualified individual notifies adult protective services and the
 17 administrator under (a) of this section in good faith and with reasonable care, the
 18 qualified individual is immune from administrative or civil liability for the disclosure
 19 or for a failure to notify the covered adult of the disclosure.

20 (c) If a qualified individual reasonably believes that financial exploitation of a
 21 covered adult may have occurred, may have been attempted, or is being attempted, a
 22 qualified individual may notify a person whom the covered adult designated to be
 23 notified about financial matters of the covered adult, except that the qualified
 24 individual may not notify a person that is suspected of engaging in financial
 25 exploitation or other abuse of the covered adult.

26 (d) If a qualified individual notifies a person as provided in (c) of this section
 27 in good faith and exercises reasonable care, the qualified individual is immune from
 28 administrative or civil liability for the notification.

29 (e) A broker-dealer or investment adviser may delay a disbursement from an
 30 account of a covered adult or from an account on which a covered adult is a
 31 beneficiary if

1 (1) the broker-dealer, investment adviser, or qualified individual
 2 reasonably believes, after initiating an internal review of the requested disbursement
 3 and the suspected financial exploitation of a covered adult, that the requested
 4 disbursement may result in financial exploitation of the covered adult; and

5 (2) the broker-dealer or investment adviser

6 (A) within two business days after receiving the request for
 7 disbursement, provides written notification of the delay and the reason for the
 8 delay to all persons authorized to transact business on the account, except to a
 9 person that the broker-dealer, investment adviser, or qualified person
 10 reasonably believes has engaged in suspected or attempted financial
 11 exploitation of the covered adult;

12 (B) within two business days after receiving the request for
 13 disbursement, notifies adult protective services and the administrator; and

14 (C) continues as necessary an internal review of the suspected
 15 or attempted financial exploitation of the covered adult and, within seven
 16 business days after receiving the request for disbursement, reports the results
 17 of the investigation to adult protective services and the administrator.

18 (f) A disbursement delay under (e) of this section expires when the earlier of
 19 the following events occurs:

20 (1) the broker-dealer or investment adviser determines that the
 21 disbursement will not result in financial exploitation of the covered adult;

22 (2) 15 business days after the date on which the broker-dealer or
 23 investment adviser first delayed the disbursement, unless

24 (A) adult protective services or the administrator requests that
 25 the broker-dealer or investment adviser extend the delay, in which case the
 26 delay expires 25 business days after the date on which the broker-dealer or
 27 investment adviser first delayed disbursement; or

28 (B) adult protective services, the administrator, or the superior
 29 court terminates the delay.

30 (g) Adult protective services, the administrator, the broker-dealer or
 31 investment adviser that initiated the delay under (e), (f), or (g) of this section, or

1 another interested person may petition the superior court for an order extending a
 2 disbursement delay or providing other relief to a covered person, and the superior
 3 court may enter an order providing the requested relief.

4 (h) If a broker-dealer or investment adviser complies with (e), (f), or (g) of this
 5 section in good faith and exercises reasonable care, the broker-dealer or investment
 6 adviser is immune from administrative or civil liability from delaying a disbursement
 7 under (e), (f), or (g) of this section.

8 (i) A broker-dealer or investment adviser shall provide access to or copies of
 9 records that are relevant to the suspected or attempted financial exploitation of a
 10 covered adult to adult protective services and to state law enforcement agencies as part
 11 of a referral to adult protective services or an investigation. The records that may be
 12 accessed or copied under this subsection include records relating to past transactions
 13 that may have involved financial exploitation of the covered adult as well as records
 14 relating to the most recent transaction that may involve financial exploitation of the
 15 covered adult. Records made available to agencies under this subsection are not public
 16 records as defined in AS 40.25.220. This subsection does not limit or impede the
 17 authority of the administrator to access or examine the books and records of broker-
 18 dealers and investment advisers as otherwise provided by law.

19 (j) The following constitute the financial exploitation of a covered adult under
 20 this section:

21 (1) the wrongful or unauthorized taking, withholding, appropriation, or
 22 use of the money, assets, or other property of a covered adult; or

23 (2) an act or omission of a person, including an act or omission made
 24 through the use of a power of attorney, guardianship, or conservatorship of a covered
 25 adult, to

26 (A) obtain control, through deception, intimidation, or undue
 27 influence, over the covered adult's money, assets, or other property to deprive
 28 the covered adult of the ownership, use, benefit, or possession of the covered
 29 adult's money, assets, or other property; or

30 (B) convert the ownership, use, benefit, or possession of the
 31 covered adult's money, assets, or other property to another person.

(k) In this section,

(1) "adult protective services" means the agency that has the responsibility for providing protective services for adults; in this paragraph,

(A) "agency" has the meaning given in AS 44.64.200;

(B) "protective services" has the meaning given in AS 47.24.900;

(2) "broker-dealer" has the meaning given in AS 45.56.900;

(3) "covered adult" means a natural person who is

(A) 60 years of age or older; or

(B) a vulnerable adult;

(4) "investment adviser" has the meaning given in AS 45.56.900;

(5) "qualified individual" means an agent, investment adviser, investment adviser representative, or other person who is acting in a supervisory, compliance, or legal capacity for a broker-dealer or investment adviser.

Sec. 45.56.485. Denial, revocation, suspension, withdrawal, restriction, condition, or limitation of registration. (a) If the administrator finds that the order is in the public interest and (d) of this section authorizes the action, an order issued under this chapter may deny an application, or may condition or limit registration of an applicant to be a broker-dealer, agent, investment adviser, or investment adviser representative, and, if the applicant is a broker-dealer or investment adviser, of a partner, officer, director, or person having a similar status or performing similar functions, or a person directly or indirectly in control, of the broker-dealer or investment adviser.

(b) If the administrator finds that the order is in the public interest and (d) of this section authorizes the action, an order issued under this chapter may revoke, suspend, condition, or limit the registration of a registrant, and, if the registrant is a broker-dealer or investment adviser, of a partner, officer, director, or person having a similar status or performing similar functions, or a person directly or indirectly in control, of the broker-dealer or investment adviser. However, the administrator may not

(1) institute a revocation or suspension proceeding under this

1 subsection based on an order issued under a law of another state that is reported to the
 2 administrator or a designee of the administrator more than three years after the date of
 3 the order on which it is based; or

4 (2) under (d)(5)(A) and (B) of this section, issue an order based on an
 5 order issued under the securities act of another state unless the other order was based
 6 on conduct for which (d) of this section would authorize the action had the conduct
 7 occurred in this state.

8 (c) If the administrator finds that the order is in the public interest and (d)(1) -
 9 (6), (8) - (10), (12), or (13) of this section authorize the action, an order under this
 10 chapter may censure, impose a bar, or impose a civil penalty of not more than
 11 \$100,000 for a single violation on a registrant and, if the registrant is a broker-dealer
 12 or investment adviser, on a partner, officer, director, or person having a similar status
 13 or performing similar functions, or on a person directly or indirectly in control of the
 14 broker-dealer or investment adviser.

15 (d) A person may be disciplined under (a) - (c) of this section if the person
 16 (1) has filed, within the previous 10 years under this chapter or former
 17 AS 45.55, an application for registration in this state that, as of the effective date of
 18 registration or as of any date after filing in the case of an order denying effectiveness,
 19 was incomplete in any material respect or contained a statement that, in light of the
 20 circumstances under which it was made, was false or misleading with respect to a
 21 material fact;

22 (2) wilfully violated or wilfully failed to comply with this chapter or
 23 former AS 45.55 or a regulation adopted or order issued under this chapter or former
 24 AS 45.55 within the previous 10 years;

25 (3) has been convicted of a felony or within the previous 10 years has
 26 been convicted of a misdemeanor involving a security, a commodity future or option
 27 contract, or an aspect of a business involving securities, commodities, investments,
 28 franchises, insurance, banking, or finance;

29 (4) is enjoined or restrained by a court of competent jurisdiction in an
 30 action instituted by the administrator under this chapter or former AS 45.55, by a state,
 31 by the Securities and Exchange Commission, or by the United States from engaging in

1 or continuing an act, practice, or course of business involving an aspect of a business
 2 involving securities, commodities, investments, franchises, insurance, banking, or
 3 finance;

4 (5) is the subject of an order issued after notice and opportunity for
 5 hearing by

6 (A) the securities or other financial services regulator of a state
 7 or the Securities and Exchange Commission or other federal agency denying,
 8 revoking, barring, or suspending registration as a broker-dealer, agent,
 9 investment adviser, federal covered investment adviser, or investment adviser
 10 representative;

11 (B) the securities regulator of a state or the Securities and
 12 Exchange Commission against a broker-dealer, agent, investment adviser,
 13 investment adviser representative, or federal covered investment adviser;

14 (C) the Securities and Exchange Commission or a self-
 15 regulatory organization suspending or expelling the registrant from
 16 membership in the self-regulatory organization;

17 (D) a court adjudicating a United States Postal Service fraud
 18 order;

19 (E) the insurance regulator of a state denying, suspending, or
 20 revoking registration as an insurance agent; or

21 (F) a depository institution or financial services regulator
 22 suspending or barring the person from the depository institution or other
 23 financial services business;

24 (6) is the subject of an adjudication or determination, after notice and
 25 opportunity for hearing, by the Securities and Exchange Commission, the Commodity
 26 Futures Trading Commission, the Federal Trade Commission, a federal depository
 27 institution regulator, or a depository institution, insurance, or other financial services
 28 regulator of a state that the person wilfully violated 15 U.S.C. 77a - 77aa (Securities
 29 Act of 1933), 15 U.S.C. 78a - 78pp (Securities Exchange Act of 1934), 15 U.S.C. 80b-
 30 1 - 80b-21 (Investment Advisers Act of 1940), 15 U.S.C. 80a-1 - 80a-64 (Investment
 31 Company Act of 1940), or 7 U.S.C. 1 - 27 (Commodity Exchange Act), the securities

1 or commodities law of a state, or a federal or state law under which a business
 2 involving investments, franchises, insurance, banking, or finance is regulated;

3 (7) is insolvent, either because the person's liabilities exceed the
 4 person's assets or because the person cannot meet the person's obligations as they
 5 mature, but the administrator may not enter an order against an applicant or registrant
 6 under this paragraph without a finding of insolvency as to the applicant or registrant;

7 (8) refuses to allow or otherwise impedes the administrator from
 8 conducting an audit or inspection under AS 45.56.475(d) or refuses access to a
 9 registrant's office to conduct an audit or inspection under AS 45.56.475(d);

10 (9) has failed to reasonably supervise an agent, investment adviser
 11 representative, or other individual, if the agent, investment adviser representative, or
 12 other individual was subject to the person's supervision and committed a violation of
 13 this chapter or former AS 45.55 or a regulation adopted or order issued under this
 14 chapter or former AS 45.55;

15 (10) has not paid the proper filing fee within 30 days after having been
 16 notified by the administrator of a deficiency, but the administrator shall vacate an
 17 order under this paragraph when the deficiency is corrected;

18 (11) after notice and opportunity for a hearing, has been found

19 (A) by a court of competent jurisdiction to have wilfully
 20 violated the laws of a foreign jurisdiction under which the business of
 21 securities, commodities, investment, franchises, insurance, banking, or finance
 22 is regulated;

23 (B) to have been the subject of an order of a securities regulator
 24 of a foreign jurisdiction denying, revoking, or suspending the right to engage

27 (C) to have been suspended or expelled from membership by or
 28 participation in a securities exchange or securities association operating under
 29 the securities laws of a foreign jurisdiction;

1 franchise, banking, finance, or insurance laws of a state;

2 (13) has engaged in dishonest or unethical practices in the securities,
3 commodities, investment, franchise, banking, finance, or insurance business;

4 (14) is not qualified based on factors that may include training,
5 experience, and knowledge of the securities business; however, in the case of an
6 application by an agent for a broker-dealer that is a member of a self-regulatory
7 organization or by an individual for registration as an investment adviser
8 representative, a denial order may not be based on this paragraph if the individual has
9 successfully completed all examinations required by (e) of this section; the
10 administrator may require an applicant for registration under AS 45.56.430 or
11 45.56.440 who has not been registered in a state within the two years preceding the
12 filing of an application in this state to complete successfully an examination; or

13 (15) is a person whose license renewal is denied under AS 14.43.148
14 or whose license issuance or renewal is denied under AS 25.27.244.

15 (e) A regulation adopted or order issued under this chapter may require that an
16 examination, including an examination developed or approved by an organization of
17 securities regulators, be successfully completed by a class of individuals or all
18 individuals. An order issued under this chapter may waive, in whole or in part, an
19 examination as to an individual and a regulation adopted under this chapter may
20 waive, in whole or in part, an examination as to a class of individuals if the
21 administrator determines that the examination is not necessary or appropriate in the
22 public interest and for the protection of investors.

23 (f) The administrator may suspend or deny an application summarily; restrict,
24 condition, limit, or suspend a registration; or censure, bar, or impose a civil penalty on
25 a registrant before final determination of an administrative proceeding. Upon the
26 issuance of an order, the administrator shall promptly notify each person subject to the
27 order that the order has been issued, the reasons for the action, and that, within 15 days
28 after the receipt of a request in a record from the person, the matter will be scheduled
29 for a hearing. If a hearing is not requested and none is ordered by the administrator
30 within 30 days after the date of service of the order, the order becomes final by
31 operation of law. If a hearing is requested or ordered, the administrator, after notice of

1 and opportunity for hearing to each person subject to the order, may modify or vacate
2 the order or extend the order until final determination.

3 (g) An order may not be issued under this section, except under (f) of this
4 section, without appropriate notice to the applicant or registrant, and an opportunity
5 for hearing under AS 45.56.650(c).

6 (h) A person that controls, directly or indirectly, a person not in compliance
7 with this section may be disciplined by order of the administrator under (a) - (c) of this
8 section to the same extent as the noncomplying person, unless the controlling person
9 did not know, and in the exercise of reasonable care could not have known, of the
10 existence of conduct that is a ground for discipline under this section.

11 (i) The administrator may not institute a proceeding under (a) - (c) of this
12 section based solely on material facts actually known by the administrator unless an
13 investigation or the proceeding is instituted within one year after the administrator
14 actually acquires knowledge of the material facts.

15 **Article 5. Fraud and Liabilities.**

16 **Sec. 45.56.505. General fraud.** A person may not, in connection with the
17 offer, sale, or purchase of a security, directly or indirectly,

18 (1) employ a device, scheme, or artifice to defraud;

19 (2) make an untrue statement of a material fact or omit to state a
20 material fact necessary to make the statements made, in light of the circumstances
21 under which they were made, not misleading; or

22 (3) engage in an act, practice, or course of business that operates or
23 would operate as a fraud or deceit on another person.

24 **Sec. 45.56.510. Prohibited conduct in providing investment advice.** (a) A
25 person that advises others for compensation, either directly or indirectly or through
26 publications or writings, as to the value of securities or the advisability of investing in,
27 purchasing, or selling securities or that, for compensation and as part of a regular
28 business, issues or adopts analyses or reports relating to securities may not

29 (1) employ a device, scheme, or artifice to defraud another person; or

30 (2) engage in an act, practice, or course of business that operates or
31 would operate as a fraud or deceit on another person.

1 (b) A regulation adopted under this chapter may define an act, practice, or
2 course of business of an investment adviser or an investment adviser representative,
3 other than a supervised person of a federal covered investment adviser, as fraudulent,
4 deceptive, or manipulative and may prescribe means reasonably designed to prevent
5 investment advisers and investment adviser representatives, other than supervised
6 persons of a federal covered investment adviser, from engaging in acts, practices, and
7 courses of business defined as fraudulent, deceptive, or manipulative.

8 (c) A regulation adopted under this chapter may specify the contents of an
9 investment advisory contract entered into, extended, or renewed by an investment
10 adviser.

11 **Sec. 45.56.520. Misleading filings.** A person may not, in a document filed
12 with the administrator or in a proceeding under this chapter, make or cause to be made
13 an untrue statement of a material fact or omit to state a material fact necessary in order
14 to make the statements made, in the light of the circumstances under which they are
15 made, not misleading.

16 **Sec. 45.56.530. Misrepresentations concerning registration or exemption.**
17 The filing of an application for registration, a registration statement, a notice filing
18 under this chapter, the registration of a person, the notice filing by a person, or the
19 registration of a security under this chapter does not constitute a finding by the
20 administrator that a record filed under this chapter is true, complete, and not
21 misleading. The filing or registration or the availability of an exemption, exception,
22 preemption, or exclusion for a security or a transaction does not mean that the
23 administrator has passed on the merits or qualifications of, or recommended or given
24 approval to, a person, security, or transaction. A person may not make, or cause to be
25 made, to a purchaser, customer, client, or prospective customer or client a
26 representation inconsistent with this section.

27 **Sec. 45.56.540. Evidentiary burden.** (a) In a civil action or administrative
28 proceeding under this chapter, a person claiming an exemption, exception,
29 preemption, or exclusion has the burden to prove the applicability of the claim.

30 (b) In a criminal proceeding under this chapter, an exemption, exception,
31 preemption, or exclusion claimed by the defendant is an affirmative defense. In this

1 subsection, "affirmative defense" has the meaning given in AS 11.81.900.

2 **Sec. 45.56.550. Filing of sales and advertising literature.** (a) Except as
3 otherwise provided in (b) of this section, a regulation adopted or order issued under
4 this chapter may require the filing of a prospectus, pamphlet, circular, form letter,
5 advertisement, sales literature, or other advertising record relating to a security or
6 investment advice, addressed or intended for distribution to prospective investors,
7 including clients or prospective clients of a person registered or required to be
8 registered as an investment adviser under this chapter.

9 (b) This section does not apply to sales and advertising literature specified in
10 (a) of this section that relates to a federal covered security, a federal covered
11 investment adviser, or a security or transaction exempted by AS 45.56.205, 45.56.210,
12 45.56.220, or 45.56.240, except as required under AS 45.56.205(7).

13 (c) The administrator may by regulation or order prohibit the publication,
14 circulation, or use of any advertising considered false or misleading.

15 **Sec. 45.56.560. Qualified immunity.** A broker-dealer, agent, investment
16 adviser, federal covered investment adviser, or investment adviser representative is not
17 liable to another broker-dealer, agent, investment adviser, federal covered investment
18 adviser, or investment adviser representative for defamation relating to a statement
19 that is contained in a record required by the administrator, a designee of the
20 administrator, the Securities and Exchange Commission, or a self-regulatory
21 organization, unless the person knew, or should have known at the time the statement
22 was made, that it was false in a material respect or the person acted in reckless
23 disregard of the statement's truth or falsity.

24 **Article 6. Administration and Judicial Review.**

25 **Sec. 45.56.605. Administration.** (a) The department shall administer this
26 chapter.

27 (b) The administrator or an officer, employee, or designee of the administrator
28 may not use for personal benefit or the benefit of others records or other information
29 obtained by or filed with the administrator that is not public under AS 45.56.615(b).
30 This chapter does not authorize the administrator or an officer, employee, or designee
31 of the administrator to disclose the record or information, except in accordance with

1 AS 45.56.615(c), 45.56.620, or 45.56.645.

2 (c) This chapter does not create or diminish a privilege or exemption that
3 exists at common law, by statute or regulation, or otherwise.

4 (d) The administrator may develop and implement investor education
5 initiatives to inform the public about investing in securities, with particular emphasis
6 on the prevention and detection of securities fraud. In developing and implementing
7 these initiatives, the administrator may collaborate with public and nonprofit
8 organizations with an interest in investor education. The administrator may accept a
9 grant or donation from a person that is not affiliated with the securities industry or
10 from a nonprofit organization, regardless of whether the organization is affiliated with
11 the securities industry, to develop and implement investor education initiatives. This
12 subsection does not authorize the administrator to require participation or monetary
13 contributions of a registrant in an investor education program.

14 **Sec. 45.56.610. Administrative files and opinions.** (a) The administrator shall
15 maintain, or designate a person to maintain, a register of applications for registration
16 of securities; registration statements; notice filings; applications for registration of
17 broker-dealers, agents, investment advisors, and investment adviser representatives;
18 notice filings by federal covered investment advisors that are or have been effective
19 under this chapter or former AS 45.55; notices of claims of exemption from
20 registration or notice filing requirements contained in a record; orders issued under
21 this chapter or former AS 45.55; and interpretative opinions or no-action
22 determinations issued under this chapter. The register must be kept according to the
23 existing retention schedule mandated by the department.

24 (b) The administrator shall make all regulations, forms, interpretative
25 opinions, and orders available to the public.

26 (c) The administrator shall furnish a copy of a record that is a public record or
27 a certification that the public record does not exist to a person upon request. A copy of
28 the record certified or a certificate by the administrator of a record's nonexistence is
29 prima facie evidence of a record or its nonexistence.

30 **Sec. 45.56.615. Public records; confidentiality.** (a) Except as otherwise
31 provided in (b) of this section, records obtained by the administrator or filed under this

chapter, including a record contained in or filed with a registration statement, application, notice filing, or report are public records and are available for public examination under AS 40.25.100 - 40.25.295 (Alaska Public Records Act).

(b) The following records are not public records under AS 40.25.100 - 40.25.295 (Alaska Public Records Act) and are not available for public examination under (a) of this section:

(1) a record obtained by the administrator in connection with an audit, examination or inspection under AS 45.56.475(d) or an investigation under AS 45.56.645;

(2) a part of a record filed in connection with a registration statement under AS 45.56.105 and 45.56.305 - 45.56.320 or a record under AS 45.56.475(d) that contains trade secrets or confidential information if the person filing the registration statement or report has asserted a claim of confidentiality or privilege that is authorized by law;

(3) a record that is not required to be provided to the administrator or filed under this chapter and is provided to the administrator only on the condition that the record may not be subject to public examination or disclosure;

(4) a nonpublic record received from a person specified in AS 45.56.620(a); and

(5) a social security number, residential address unless used as a business address, and residential telephone number unless used as a business telephone number, contained in a record that is filed.

(c) If disclosure is for the purpose of a civil, administrative, or criminal investigation, action, or proceeding or to a person specified in AS 45.56.620(a), the administrator may disclose a record obtained in connection with an audit or inspection under AS 45.56.475(d) or a record obtained in connection with an investigation under AS 45.56.645.

Sec. 45.56.620. Uniformity and cooperation with other agencies. (a) The administrator may cooperate, coordinate, consult, and, subject to AS 45.56.615, share records and information with the securities regulator of another state, Canada, a Canadian province or territory, a foreign jurisdiction, the Securities and Exchange

Commission, the United States Department of Justice, the Commodity Futures Trading Commission, the Federal Trade Commission, the Securities Investor Protection Corporation, a self-regulatory organization, a national or international organization of securities regulators, a federal or state banking and insurance regulator, and a governmental law enforcement agency to bring about greater uniformity in securities matters among the federal government, self-regulatory organizations, states, and foreign governments.

(b) In cooperating, coordinating, consulting, and sharing records and information under this section and in acting by regulation, order, or waiver under this chapter, the administrator may take into consideration in carrying out the public interest the following general policies:

(1) maximizing effectiveness of regulation for the protection of investors;

(2) maximizing uniformity in federal and state regulatory standards;
and

(3) minimizing burdens on the business of capital formation, without adversely affecting essentials of investor protection.

(c) The cooperation, coordination, consultation, and sharing of records and information authorized by this section includes

(1) establishing or employing one or more designees as a central depository for registration and notice filings under this chapter and for records required or allowed to be maintained under this chapter;

(2) developing and maintaining uniform forms;

(3) conducting a joint examination or investigation;

(4) holding a joint administrative hearing;

(5) instituting and prosecuting a joint civil or administrative proceeding;

(6) sharing and exchanging personnel;

(7) coordinating registrations under AS 45.56.105 and 45.56.405 - 45.56.440 and exemptions under AS 45.56.240;

(8) sharing and exchanging records, subject to AS 45.56.615;

1 (9) formulating regulations, statements of policy, guidelines, forms,
2 and interpretative opinions and releases;

3 (10) formulating common systems and procedures;

4 (11) notifying the public of proposed regulations, forms, statements of
5 policy, and guidelines;

6 (12) attending conferences and other meetings among securities
7 regulators, that may include representatives of governmental and private sector
8 organizations involved in capital formation, considered necessary or appropriate to
9 promote or achieve uniformity; and

10 (13) developing and maintaining a uniform exemption from
11 registration for small issuers and taking other steps to reduce the burden of raising
12 investment capital by small businesses.

13 **Sec. 45.56.625. Securities investor education and training fund.** The
14 securities investor education and training fund is created as a special fund in the
15 general fund to provide funds for the purposes specified in 45.56.605(d). The
16 legislature may appropriate 33 percent of the money received by this state from civil
17 penalties under this chapter into the fund for securities investor education and training.
18 Nothing in this section exempts money deposited into the fund from the requirements
19 of AS 37.07 (Executive Budget Act) or dedicates money for a specific purpose.

20 **Sec. 45.56.630. Service of process.** (a) A consent to service of process
21 complying with this section required by this chapter shall be signed and filed in the
22 form required by a regulation adopted or order issued under this chapter. A consent
23 appointing the administrator the person's agent for service of process in a noncriminal
24 action or proceeding against the person or the person's successor or personal
25 representative under this chapter or a regulation adopted or order issued under this
26 chapter after the consent is filed has the same force and validity as if the service were
27 made personally on the person filing the consent. A person that has filed a consent
28 under this subsection in connection with a previous application for registration or
29 notice filing need not file an additional consent.

30 (b) If a person, including a nonresident of this state, engages in an act,
31 practice, or course of business prohibited or made actionable by this chapter or a

1 regulation adopted or order issued under this chapter and the person has not filed a
 2 consent to service of process under (a) of this section, the act, practice, or course of
 3 business constitutes the appointment of the administrator as the person's agent for
 4 service of process in a noncriminal action or proceeding against the person or the
 5 person's successor or personal representative.

6 (c) Service under (a) or (b) of this section may be made by providing a copy of
 7 the process to the office of the administrator, but the service is not effective unless

8 (1) the plaintiff, which may be the administrator, promptly sends
 9 notice of the service and a copy of the process, return receipt requested, to the
 10 defendant or respondent at the address set out in the consent to service of process or, if
 11 a consent to service of process has not been filed, at the last known address, or takes
 12 other reasonable steps to give notice; and

13 (2) the plaintiff files an affidavit of compliance with this subsection in
 14 the action or proceeding on or before the return day of the process, if any, or within
 15 the time that the court, or the administrator in a proceeding before the administrator,
 16 allows.

17 (d) Service under (c) of this section may be used in a proceeding before the
 18 administrator or by the administrator in a civil action in which the administrator is the
 19 moving party.

20 (e) If process is served under (c) of this section, the court, or the administrator
 21 in a proceeding before the administrator, shall order continuances as are necessary or
 22 appropriate to afford the defendant or respondent reasonable opportunity to defend.

23 **Sec. 45.56.635. Applicability of the chapter.** (a) Unless the persons are
 24 exempt elsewhere in this chapter, this chapter applies to persons who buy or offer to
 25 buy when an offer to

26 (1) buy is made in this state; or

27 (2) sell is made and accepted in this state.

28 (b) Unless the person is exempt elsewhere in this chapter, this chapter applies
 29 to a person who sells or offers to sell when an offer to

30 (1) sell is made in this state; or

31 (2) buy is made and accepted in this state.

1 (c) For the purpose of this section, an offer to sell or to buy is made in this
2 state, whether or not either party is then present in this state, when the offer

3 (1) originates from this state;

4 (2) is directed by the offeror to this state and received at the place to
5 which it is directed or at a post office in this state in the case of a mailed offer;

6 (3) is for an interest or participation in an oil, gas, or mining right, title,
7 or lease on land in this state, including submerged land, regardless of where the offer
8 is made;

9 (4) is for an interest or participation in payments out of production
10 under an oil, gas, or mining right, title, or lease on land in this state, including
11 submerged land, regardless of where the offer is made;

12 (5) is for an interest or participation in real property located in this
13 state, or in a corporation, a partnership, a limited liability company, a limited
14 partnership, a limited liability partnership, an association, or a joint-stock company;
15 jurisdiction under this paragraph may be exercised only when the exercise is
16 consistent with the constitution of this state or of the United States.

17 (d) For the purpose of this section, an offer to buy or to sell is accepted in this
18 state when acceptance is communicated to the offeror in this state and has not
19 previously been communicated to the offeror, orally or in writing, outside this state.
20 Acceptance is communicated to the offeror in this state, whether or not either party is
21 then present in this state, when the offeree directs the acceptance to the offeror in this
22 state reasonably believing the offeror to be in this state and the acceptance is received
23 at the place to which it is directed or, in the case of a mailed acceptance, at a post
24 office in this state.

25 (e) This chapter applies to investment advisers, federal covered advisers, and
26 investment adviser representatives when any act instrumental in effecting prohibited
27 conduct is done in this state, regardless of whether either party is then present in this
28 state.

29 **Sec. 45.56.640. Regulations, forms, orders, interpretative opinions, and**
30 **hearings.** (a) The administrator may

31 (1) issue forms and orders; after notice and comment, adopt and amend

1 regulations necessary or appropriate to carry out this chapter; and repeal regulations,
 2 including regulations and forms governing registration statements, applications, notice
 3 filings, reports, and other records;

4 (2) by regulation, define terms, whether or not used in this chapter, but
 5 those definitions may not be inconsistent with this chapter; and

6 (3) by regulation, classify securities, persons, and transactions and
 7 adopt different requirements for different classes.

8 (b) Under this chapter, a regulation or form may not be adopted or amended,
 9 or an order issued or amended, unless the administrator finds that the regulation, form,
 10 order, or amendment is necessary or appropriate in the public interest or for the
 11 protection of investors and is consistent with the purposes intended by this chapter. In
 12 adopting, amending, and repealing regulations and forms, AS 45.56.620 applies to
 13 achieve uniformity among the states and coordination with federal laws in the form
 14 and content of registration statements, applications, reports, and other records,
 15 including the adoption of uniform rules, forms, and procedures.

16 (c) Subject to 15 U.S.C. 78o(i) and 80b-18a, the administrator may require
 17 that a financial statement filed under this chapter be prepared in accordance with
 18 generally accepted accounting principles in the United States and comply with other
 19 requirements specified by regulation adopted or order issued under this chapter. A
 20 regulation adopted or order issued under this chapter may establish

21 (1) subject to 15 U.S.C. 78o(i) and 80b-18a, the form and content of
 22 financial statements required under this chapter;

23 (2) whether unconsolidated financial statements must be filed; and

24 (3) whether required financial statements must be audited by an
 25 independent certified public accountant.

26 (d) The administrator may provide interpretative opinions or issue
 27 determinations that the administrator will not institute a proceeding or an action under
 28 this chapter against a specified person for engaging in a specified act, practice, or
 29 course of business if the determination is consistent with this chapter. A regulation
 30 adopted or order issued under this chapter may establish a reasonable charge for
 31 interpretative opinions or determinations that the administrator will not institute an

1 action or a proceeding under this chapter.

2 (e) A hearing in an administrative proceeding under this chapter shall be
3 conducted in public unless the administrative law judge or the administrator for good
4 cause consistent with this chapter determines that the hearing may not be conducted in
5 public.

6 (f) AS 44.62 (Administrative Procedure Act) applies to all regulations adopted
7 or authorized under this chapter.

8 **Sec. 45.56.645. Investigations and subpoenas.** (a) The administrator may

9 (1) conduct public or private investigations in or outside of this state
10 that the administrator considers necessary or appropriate to determine whether a
11 person has violated, is violating, or is about to violate this chapter or a regulation
12 adopted or order issued under this chapter, or to aid in the enforcement of this chapter
13 or in the adoption of regulations and forms under this chapter;

14 (2) require or permit a person to testify, file a statement, or produce a
15 record, under oath or otherwise as the administrator determines, as to all the facts and
16 circumstances concerning a matter to be investigated or about which an action or
17 proceeding is to be instituted; and

18 (3) publish a record concerning an action, proceeding, or an
19 investigation under, or a violation of, this chapter or a regulation adopted or order
20 issued under this chapter if the administrator determines it is necessary or appropriate
21 in the public interest and for the protection of investors.

22 (b) For the purpose of an investigation under this chapter, the administrator or
23 the designated officer of the administrator may administer oaths and affirmations,
24 subpoena witnesses, seek compulsion of attendance, take evidence, require the filing
25 of statements, and require the production of any records that the administrator
26 considers relevant or material to the investigation.

27 (c) If a person does not appear or refuses to testify, file a statement, produce
28 records, or otherwise obey a subpoena as required by the administrator under this
29 chapter, the administrator may refer the matter to the attorney general, who may bring
30 an action in the superior court or a court of another state to enforce compliance. The
31 court may

- 1 (1) hold the person in contempt;
- 2 (2) order the person to appear before the administrator;
- 3 (3) order the person to testify about the matter under investigation or in
- 4 question;
- 5 (4) order the production of records;
- 6 (5) grant injunctive relief, including restricting or prohibiting the offer
- 7 or sale of securities or the providing of investment advice;
- 8 (6) impose a civil penalty of not more than \$100,000 for a single
- 9 violation; and
- 10 (7) grant any other necessary or appropriate relief.

11 (d) This section does not preclude a person from applying to the superior court
 12 or a court of another state for relief from a request to appear, testify, file a statement,
 13 produce records, or obey a subpoena.

14 (e) A person is not excused from attending, testifying, filing a statement,
 15 producing a record or other evidence, or obeying a subpoena of the administrator
 16 under this chapter or in an action or proceeding instituted by the administrator under
 17 this chapter on the ground that the required testimony, statement, record, or other
 18 evidence, directly or indirectly, may tend to incriminate the individual or subject the
 19 individual to a criminal fine, penalty, or forfeiture. If the person refuses to testify, file
 20 a statement, or produce a record or other evidence based on the individual's privilege
 21 against self-incrimination, the administrator may apply to the superior court to compel
 22 the testimony, the filing of the statement, the production of the record, or the giving of
 23 other evidence. The testimony, record, or other evidence compelled under an order of
 24 the superior court may not be used, directly or indirectly, against the individual in a
 25 criminal case, except in a prosecution for perjury, contempt, or otherwise failing to
 26 comply with the order.

27 (f) At the request of the securities regulator of another state or a foreign
 28 jurisdiction, the administrator may provide assistance if the requesting regulator states
 29 that it is conducting an investigation to determine whether a person has violated, is
 30 violating, or is about to violate a law or regulation of the other state or foreign
 31 jurisdiction relating to securities matters that the requesting regulator administers or

enforces. The administrator may provide the assistance by using the authority to investigate and the powers conferred by this section as the administrator determines is necessary or appropriate. The assistance may be provided without regard to whether the conduct described in the request would also constitute a violation of this chapter or other law of this state if occurring in this state. In deciding whether to provide the assistance, the administrator may consider whether the requesting regulator is permitted and has agreed to provide assistance reciprocally within its state or foreign jurisdiction to the administrator on securities matters when requested, whether compliance with the request would violate or prejudice the public policy of this state, and the availability of resources and employees of the administrator to carry out the request for assistance.

Sec. 45.56.650. Administrative enforcement. (a) If the administrator determines that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business constituting a violation of this chapter or a regulation adopted or order issued under this chapter or that a person has materially aided, is materially aiding, or is about to aid materially an act, practice, or course of business constituting a violation of this chapter or a regulation adopted or order issued under this chapter, the administrator may issue an order

(1) directing the person to cease and desist from engaging in the act, practice, or course of business or to take other action necessary or appropriate to comply with this chapter;

(2) denying, suspending, revoking, or conditioning the exemptions for a broker-dealer under AS 45.56.405(b)(1)(D) or (F) or an investment adviser under AS 45.56.435(b)(1)(C); or

(3) denying, suspending, conditioning, or limiting an exemption as provided under AS 45.56.250.

(b) An order under (a) of this section is effective on the date of issuance. Upon issuance of the order, the administrator shall promptly serve each person subject to the order with a copy of the order and a notice that the order has been entered. The order must include a statement of any civil penalty, restitution, or costs of investigation the administrator will seek, a statement of the reasons for the order, and notice that, within

1 15 days after receipt of a request in a record from the person, the matter will be
 2 scheduled for a hearing. If a person subject to the order does not request a hearing and
 3 none is ordered by the administrator within 30 days after the date of service of the
 4 order, the order, including the imposition of a civil penalty, the imposition of
 5 restitution, or requirement for payment of the costs of investigation sought in a
 6 statement in the order, becomes final as to that person by operation of law. If a hearing
 7 is requested or ordered, the administrator, after notice of and opportunity for hearing
 8 provided to each person subject to the order, may modify or vacate the order or extend
 9 it until final determination.

10 (c) If a hearing is requested or ordered under (b) of this section, a hearing shall
 11 be conducted by the office of administrative hearings (AS 44.64.010), and
 12 AS 44.64.040 - 44.64.200 apply to and govern the hearing.

13 (d) In a final order under (b) of this section, the administrator may impose a
 14 civil penalty of not more than \$100,000 for a single violation, unless the violation of
 15 this chapter is against an older person or a vulnerable adult. In addition to a civil
 16 penalty imposed under this subsection, a person or entity who engages in conduct
 17 prohibited under this chapter against an older person or a vulnerable adult may be
 18 liable for an additional civil penalty of treble statutory damages. In determining
 19 whether to impose a supplemental civil penalty under this subsection, the
 20 administrator shall consider, in addition to other appropriate factors, the extent to
 21 which the following factors are present:

22 (1) whether the respondent knew that the respondent's conduct was
 23 directed to an older person or a vulnerable adult;

24 (2) whether the respondent's conduct caused an older person or a
 25 vulnerable adult to suffer

26 (A) severe loss or encumbrance of a primary residence,
 27 principal employment, or source of income; or

28 (B) substantial loss of property set aside for retirement or for
 29 personal and family care and maintenance; or

30 (3) whether the respondent's conduct caused substantial loss of
 31 payments received under a pension or retirement plan or a government benefits

1 program.

2 (e) In a final order under (b) of this section, the administrator may

3 (1) impose restitution to any person in interest for any money or
4 property, real or personal, that may have been acquired or transferred in violation of
5 this chapter;

6 (2) charge the actual cost of an investigation or proceeding for a
7 violation of this chapter or a regulation adopted or order issued under this chapter; and

8 (3) deny the violator of the use of any exemptions listed under this
9 chapter.

10 (f) The administrator may petition the superior court to enter a judgment
11 against a person who is a respondent in the order for the amount of the civil penalty
12 levied against the person. Subject to AS 44.62.570, the filing of the petition for a
13 judgment does not reopen the final order to further substantive review. A judgment
14 entered under this subsection may be executed on and levied under in the manner
15 provided in AS 09.35.

16 (g) If a person does not comply with an order under this section, the
17 administrator may petition a court of competent jurisdiction to enforce the order. The
18 court may not require the administrator to post a bond in an action or proceeding under
19 this section. If the court finds, after service and opportunity for hearing, that the person
20 was not in compliance with the order, the court may adjudge the person in civil
21 contempt of the order. The court may impose a further civil penalty against the person
22 for contempt in an amount not less than \$5,000 but not greater than \$100,000 for each
23 violation and may grant any other relief the court determines is just and proper in the
24 circumstances.

25 **Sec. 45.56.655. Civil enforcement.** (a) If the administrator believes that a
26 person has engaged, is engaging, or is about to engage in an act, practice, or course of
27 business constituting a violation of this chapter or a regulation adopted or order issued
28 under this chapter, or that a person has engaged, is engaging, or is about to engage in
29 an act, practice, or course of business that materially aids a violation of this chapter or
30 a regulation adopted or order issued under this chapter, the administrator may maintain
31 an action in the superior court to enjoin the act, practice, or course of business and to

1 enforce compliance with this chapter or a regulation adopted or order issued under this
2 chapter.

3 (b) In an action under this section and on a proper showing, the court may

4 (1) issue a permanent or temporary injunction, restraining order, or
5 declaratory judgment;

6 (2) order other appropriate or ancillary relief, which may include

7 (A) an asset freeze, accounting, writ of attachment, writ of
8 general or specific execution, and appointment of a receiver or conservator that
9 may be the administrator for the defendant or the defendant's assets;

10 (B) ordering the administrator to take charge and control of a
11 defendant's property, including investment accounts and accounts in a
12 depository institution, rents, and profits; to collect debts; and to acquire and
13 dispose of property;

14 (C) imposing a civil penalty of not more than \$100,000 for a
15 single violation, unless the violation of this chapter is against an older person
16 or a vulnerable adult; in determining whether to impose a supplemental civil
17 penalty for a violation of this chapter against an older person or a vulnerable
18 adult, the court shall consider, in addition to other appropriate factors, the
19 extent to which the following factors are present:

20 (i) whether the respondent knew that the respondent's
21 conduct was directed to an older person or a vulnerable adult;

22 (ii) whether the respondent's conduct caused an older
23 person or a vulnerable adult to suffer severe loss or encumbrance of a
24 primary residence, principal employment, or source of income; or
25 substantial loss of property set aside for retirement or for personal and
26 family care and maintenance; or

27 (iii) whether the respondent's conduct caused
28 substantial loss of payments received under a pension or retirement
29 plan or a government benefits program;

30 (D) imposing an order of rescission, or disgorgement directed
31 to a person that has engaged in an act, practice, or course of business

constituting a violation of this chapter or former AS 45.55 or a regulation adopted or order issued under this chapter or former AS 45.55;

(E) imposing an order of restitution to any person in interest for any money or property, real or personal, that may have been acquired or transferred in violation of this chapter; and

(F) ordering the payment of prejudgment and post judgment interest; or

(3) order other relief that the court considers appropriate.

(c) The administrator may not be required to post a bond in an action or proceeding under this chapter.

(d) After an order issued by the court under (b) of this section becomes final and all rights of appeal are exhausted, the administrator may petition the superior court to enter a judgment against a person who is a respondent in the order for the amount of the civil penalty levied against the person. Subject to AS 44.62.570, the filing of the petition for a judgment does not reopen the final order to further substantive review. A judgment entered under this subsection may be executed on and levied under in the manner provided in AS 09.35.

An action under this subsection is governed by the following:

(1) the purchaser may maintain an action to recover the consideration paid for the security, less the amount of any income received on the security, and interest at the legal rate of interest under AS 09.30.070, or eight percent a year, whichever is greater, from the date of the purchase, costs, and attorney fees as

1 determined by the court, upon the tender of the security, or for actual damages as

27 the amount specified; if the purchaser no longer owns the security, the seller may
28 recover actual damages as provided in (3) of this subsection;

29 (3) actual damages in an action arising under this subsection are the
30 difference between the price at which the security was sold and the value the security
31 would have had at the time of the sale in the absence of the purchaser's conduct

1 causing liability, and interest at the legal rate of interest under AS 09.30.070, or eight
2 percent a year, whichever is greater, from the date of the sale of the security, costs,
3 and attorney fees as determined by the court.

23 percent a year, whichever is greater, from the date of the fraudulent conduct, costs,
24 and reasonable attorney fees as determined by the court, less the amount of any
25 income received as a result of the fraudulent conduct;

26 (2) this subsection does not apply to a broker-dealer or its agents if the
27 investment advice provided is solely incidental to transacting business as a broker-
