Re: Trans-Pac Alaska Ltd. Partnership Support for Thorsheim Bay Exxon  
Valdez Habitat Purchase

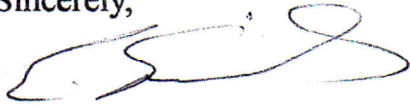

Dear Senator MacKinnon,

This letter is to inform you that Trans-Pac Alaska Limited Partnership has negotiated and agreed to terms for the sale of our timber harvest rights on the Thorsheim Bay parcel that was selected for Exxon Valdez Oil Spill Trustee Council habitat restoration. We feel that our interests were dealt with fairly and equitably and enthusiastically support the sale.

The shareholders of Uyak Natives, Inc. have also voted overwhelmingly in favor of the Exxon Valdez Oil Spill Trustee Council offer and we have agreed with them on how the proceeds are to be split.

Thank you for consideration of Trans-Pac's support for the Thorsheim Bay habitat purchase.

Sincerely,
