DON'T MOVE A MUSSEL

Quagga Mussels Have Invaded Arizona

Before leaving any lake, please:

- **DRAIN** the water from the boat, livewell and the lower unit
- **CLEAN** the hull and remove all plant and animal material
- **DRY** the boat and **INSPECT** all exposed surfaces

After you visit a lake or other body of water, the Arizona Game and Fish Department asks you to please wait five days before launching your watercraft someplace else. This five-day waiting period will aid tremendously in killing those hidden hitchhikers on your boat, such as the microscopic quagga larvae.

Protect Your Boat | Protect The Environment

**STOP AQUATIC
HITCHHIKERS!**

HELP STOP AQUATIC HITCHHIKERS!

- It's the law: BEFORE launching ... BEFORE leaving you must**
- Remove aquatic plants, zebra mussels, and other prohibited invasive species.
 - Drain lake or river water away from the boat ramp.

It is unlawful to:

- Transport aquatic plants, zebra mussels, or other prohibited species on public roads
- Launch a boat or place a trailer in the water if it has aquatic plants, zebra mussels, or other prohibited or regulated species attached
- Transport watercraft without draining water, removing the drain, or
