Re: I urge you to support HB 200

Dear Representative LeDoux,

I am writing to express my support for the open primary bill HB 200 by Representative LeDoux. Since its founding, Alaska had an open primary. But it was taken away from us by a court ruling. That means that Alaskans can no longer vote for whoever they want in the primary. We have to pick a party ballot. Worse yet, these elections are paid for by the taxpayers. Segregating voters in public elections is wrong. Alaska is facing huge problems. We need big solutions. "Partisan politics as usual" is not going to get the job done. Bringing back an open primary would change all of that. It would give the people of Alaska the voice they need to make real change. I urge you to support HB 200 for the open primary. It's time to return voter freedom. Let all voters vote for whoever they want, in every round of the election. Thank you,

Sincerely,

That means that Alaskans can no longer vote for whoever they want in the primary. We have to pick a party ballot. Worse yet, these elections are paid for by the taxpayers. Segregating voters in public elections is wrong. Alaska is facing huge problems. We need big solutions. "Partisan politics as usual" is not going to get the job done. Bringing back an open primary would change all of that. It would give the people of Alaska the voice they need to make real change. I urge you to support HB 200 for the open primary. It's time to return voter freedom. Let all voters vote for whoever they want, in every round of the election. Thank you,

Dear Representative,

I am writing to express my support for the open primary bill HB 200 by Representative LeDoux. Since its founding, Alaska had an open primary. But it was taken away from us by a court ruling.
