WRITTEN TESTIMONY

NAME: Breana Litzenberger

REPRESENTING: myself

BILL # or SUBJECT: HB 115

COMMITTEE: Senate Labor and Commerce DATE: 4/25/17

I strongly support HB115. I live in Alaska because of the communities, natural resources, and amazing ~~and~~ opportunities residents are offered here. I feel very lucky to be here and I'm more than willing to pay my fair share. This income tax offers a more fiscally balanced future for Alaska and I appreciate you all working so hard to try and come to a solution to our current budget.
