**THIRTIETH LEGISLATURE - FIRST SESSION**

**BY**

**Sponsor(s): REPRESENTATIVE GARA**

**A BILL**  
**FOR AN ACT ENTITLED**

1 **"An Act relating to the duties of the Department of Health and Social Services; relating**  
2 **to training and workload standards for employees of the Department of Health and**  
3 **Social Services and providing immunity from damages related to those standards;**  
4 **relating to foster care home licensing; relating to placement of a child in need of aid;**  
5 **relating to the rights and responsibilities of foster parents; requiring the Department of**  
6 **Health and Social Services to provide information to a child or person released from the**  
7 **department's custody; and providing for an effective date."**

8 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

9 **\* Section 1.** The uncodified law of the State of Alaska is amended by adding a new section  
10 to read:

11 **SHORT TITLE.** This Act may be known as the Children Deserve a Loving Home Act.

12 **\* Sec. 2.** AS 47.05.065 is amended to read:

13 **Sec. 47.05.065. Legislative findings related to children.** The legislature finds

1 that

2 (1) parents have the following rights and responsibilities relating to the  
3 care and control of their child while the child is a minor:

4 (A) the responsibility to provide the child with food, clothing,  
5 shelter, education, and medical care;

6 (B) the right and responsibility to protect, nurture, train, and  
7 discipline the child, including the right to direct the child's medical care and  
8 the right to exercise reasonable corporal discipline;

9 (C) the right to determine where and with whom the child shall  
10 live;

11 (D) the right and responsibility to make decisions of legal or  
12 financial significance concerning the child;

13 (E) the right to obtain representation for the child in legal  
14 actions; and

15 (F) the responsibility to provide special safeguards and care,  
16 including appropriate prenatal and postnatal protection for the child;

17 (2) it is the policy of the state to strengthen families and to protect  
18 children from child abuse and neglect; the state recognizes that, in some cases,  
19 protection of a child may require removal of the child from the child's home; however,

20 (A) except in those cases involving serious risk to a child's  
21 health or safety, the Department of Health and Social Services should provide  
22 time-limited family support services to the child and the child's family in order  
23 to offer parents the opportunity to remedy parental conduct or conditions in the  
24 home that placed the child at risk of harm so that a child may return home  
25 safely and permanently; and

26 (B) the state also recognizes that when a child is removed from  
27 the home, visitation between the child and the child's parents or guardian and  
28 family members reduces the trauma for the child and enhances the likelihood  
29 that the child will be able to return home; therefore, whenever a child is  
30 removed from the parental home, the Department of Health and Social  
31 Services should encourage frequent, regular, and reasonable visitation of the

1 child with the child's parent or guardian and family members;

2 (3) it is the policy of the state to recognize that, when a child is a ward  
3 of the state, the child is entitled to reasonable safety, adequate care, and adequate  
4 treatment and that the Department of Health and Social Services as legal custodian and  
5 the child's guardian ad litem as guardian of the child's best interests and their agents  
6 and assignees, each should make reasonable efforts to ensure that the child is provided  
7 with reasonable safety, adequate care, and adequate treatment for the duration of time  
8 that the child is a ward of the state;

9 (4) it is in the best interests of a child who has been removed from the  
10 child's own home for the state to apply the following principles in resolving the  
11 situation:

12 (A) the child should be placed in a safe, secure, and stable  
13 environment;

14 (B) the child should not be moved unnecessarily;

15 (C) a planning process should be followed to lead to permanent  
16 placement of the child;

17 (D) every effort should be made to encourage psychological  
18 attachment between the adult caregiver and the child;

19 (E) frequent, regular, and reasonable visitation with the parent  
20 or guardian and family members should be encouraged; [AND]

21 (F) parents and guardians must actively participate in family  
22 support services so as to facilitate the child's being able to remain in the home;  
23 when children are removed from the home, the parents and guardians must  
24 actively participate in family support services to make return of their children  
25 to the home possible; **and**

26 **(G) to the extent practicable, the Department of Health and**  
27 **Social Services should enable a child's contact with previous out-of-home**  
28 **caregivers when appropriate and in the best interests of the child;**

29 (5) numerous studies establish that

30 (A) children undergo a critical attachment process before the  
31 time they reach six years of age;

1 (B) a child who has not attached with an adult caregiver during  
2 this critical stage will suffer significant emotional damage that frequently leads  
3 to chronic psychological problems and antisocial behavior when the child  
4 reaches adolescence and adulthood; and

5 (C) it is important to provide for an expedited placement  
6 procedure to ensure that all children, especially those under the age of six  
7 years, who have been removed from their homes are placed in permanent  
8 homes expeditiously.

9 \* **Sec. 3.** AS 47.10.080(s) is amended to read:

10 (s) The department may transfer a child, in the child's best interests, from one  
11 placement setting to another, and the child, the child's parents or guardian, the child's  
12 foster parents or out-of-home caregiver, the child's guardian ad litem, the child's  
13 attorney, and the child's tribe are entitled to advance notice of a nonemergency  
14 transfer. A party opposed to the proposed transfer may request a hearing and must  
15 prove by clear and convincing evidence that the transfer would be contrary to the best  
16 interests of the child for the court to deny the transfer. A foster parent or out-of-home  
17 caregiver who requests a nonemergency change in placement of the child shall provide  
18 the department with reasonable advance notice of the requested change. When the  
19 department transfers a child from one out-of-home placement to another, the  
20 department shall search for an appropriate placement with an adult family member or  
21 a family friend who meets the foster care licensing requirements established by the  
22 department. **A supervisor at the department shall certify in writing in the case file**  
23 **whether the department has searched for an appropriate placement with an**  
24 **adult family member or family friend. If the department has not complied with**  
25 **the search requirements under this subsection, the supervisor shall work to**  
26 **ensure that the department completes the search in the shortest time feasible.**

27 \* **Sec. 4.** AS 47.10.084 is amended by adding a new subsection to read:

28 (d) When the child is placed in foster care, the foster parent has the right and  
29 responsibility to use a reasonable and prudent parent standard to make decisions  
30 relating to the child. The foster parent may make decisions under (a) or (b) of this  
31 section that include decisions relating to the child's participation in age-appropriate or

1 developmentally appropriate activities, including travel, sports, field trips, overnight  
2 activities, and extracurricular, enrichment, cultural, and social activities. The  
3 department shall provide foster parents with training regarding the reasonable and  
4 prudent parent standard. In this subsection, "reasonable and prudent parent standard"  
5 means a standard characterized by careful and sensible decisions to maintain the  
6 health, safety, and best interests of the child while encouraging the emotional and  
7 developmental growth of the child.

8 \* **Sec. 5.** AS 47.10.086 is amended by adding a new subsection to read:

9 (h) The department shall engage a child who is 14 years of age or older in the  
10 development or revision of a case plan, permanency goal, or alternative permanency  
11 plan for the child. The department shall also allow the child to select not more than  
12 two adults to participate in the development or revision of the plan in addition to the  
13 child's foster parents or department employees who are supervising the care of the  
14 child. The department may reject an adult selected by the child if the department has  
15 good cause to believe that the adult will not act in the best interests of the child. If the  
16 department rejects an adult, the child may select another adult. The child may  
17 designate one of the adults to be the child's advisor, and the advisor may advocate for  
18 the child.

19 \* **Sec. 6.** AS 47.10.093(b) is amended to read:

20 (b) A state or municipal agency or employee shall disclose appropriate  
21 confidential information regarding a case to

22 (1) a guardian ad litem appointed by the court;

23 (2) a person or an agency requested by the department or the child's  
24 legal custodian to provide consultation or services for a child who is subject to the  
25 jurisdiction of the court under AS 47.10.010 as necessary to enable the provision of  
26 the consultation or services;

27 (3) an out-of-home care provider as necessary to enable the out-of-  
28 home care provider to provide appropriate care to the child, to protect the safety of the  
29 child, and to protect the safety and property of family members and visitors of the out-  
30 of-home care provider;

31 (4) a school official as necessary to enable the school to provide

1 appropriate counseling and support services to a child who is the subject of the case, to  
2 protect the safety of the child, and to protect the safety of school students and staff;

3 (5) a governmental agency as necessary to obtain that agency's  
4 assistance for the department in its investigation or to obtain physical custody of a

12 performance of the duties of the state medical examiner;

13 (9) a person who has made a report of harm as required by  
14 AS 47.17.020 to inform the person that the investigation was completed and of action  
15 taken to protect the child who was the subject of the report;

16 (10) the child support services agency established in AS 25.27.010 as  
17 necessary to establish and collect child support for a child who is a child in need of aid  
18 under this chapter;

19 (11) a parent, guardian, or caregiver of a child or an entity responsible  
20 for ensuring the safety of children as necessary to protect the safety of a child;

21 (12) a review panel established by the department for the purpose of  
22 reviewing the actions taken by the department in a specific case;

23 (13) the University of Alaska under the Alaska higher education  
24 savings program for children established under AS 47.14.400, but only to the extent  
25 that the information is necessary to support the program and only if the information  
26 released is maintained as a confidential record by the University of Alaska;

27 (14) a child placement agency licensed under AS 47.32 as necessary to  
28 provide services for a child who is the subject of the case; [AND]

29 (15) a state or municipal agency of this state or another jurisdiction  
30 that is responsible for delinquent minors, as may be necessary for the administration of  
31 services, protection, rehabilitation, or supervision of a child or for actions by the

1 agency to protect the public safety; however, a court may review an objection made to  
2 a disclosure under this paragraph; the person objecting to the disclosure bears the  
3 burden of establishing by a preponderance of the evidence that disclosure is not in the  
4 child's best interest; **and**

5 **(16) a sibling of a child who is the subject of the case to allow the**  
6 **siblings to contact each other if it is in the best interests of the child to maintain**  
7 **contact; in this paragraph, "sibling" means an adult or minor who is related to**  
8 **the child who is the subject of the case by blood, adoption, or marriage as a child**  
9 **of one or both of the parents of the child who is the subject of the case; a sibling**  
10 **who is adopted by a person other than the parent of the child who is the subject**  
11 **of the case remains a sibling of the child.**

12 \* **Sec. 7.** AS 47.10.142(i) is amended to read:

13 (i) When the department takes emergency custody of a child under this section  
14 or a court orders a child committed to the department for temporary placement under  
15 this section, the department shall, to the extent feasible and consistent with the best  
16 interests of the child, place the child according to the criteria specified under  
17 AS 47.14.100(e). **A supervisor at the department shall certify in writing in the**  
18 **case file whether the department has searched for an appropriate placement with**  
19 **an adult family member or family friend. If the department has not complied**  
20 **with the search requirements under this subsection, the supervisor shall work to**  
21 **ensure that the department completes the search in the shortest time feasible if it**

30 **ensure that the department completes the search in the shortest time feasible. The**  
31 **department shall** place the child, in the absence of clear and convincing evidence of

1 good cause to the contrary,

2 (1) in the least restrictive setting that most closely approximates a  
3 family and that meets the child's special needs, if any;

9 requirements established by the department;

10 (C) a licensed foster home that is not an adult family member  
11 or family friend;

13 meet the child's needs.

14 \* **Sec. 9.** AS 47.14.100(i) is amended to read:

24 (r) The department shall make reasonable efforts to place siblings in the same  
25 placement if the siblings are residing in the same home when taken into the custody of  
26 the department. If siblings are not placed together after reasonable efforts have been  
27 made, the case supervisor for the division with responsibility over the custody of  
28 children shall document in the file the efforts that were made and the reason separating  
29 the siblings for placement purposes is in the best interest of the children. **If it is in the**  
30 **best interests of the children to maintain contact, the department shall provide**

6 The department shall implement workload standards and a training program for  
 7 employees who supervise the care of children committed to the supervision or custody  
 8 of the department under AS 47.10, work with families to prevent the removal of a  
 9 child from the child's home under AS 47.10, or investigate reports of harm under  
 10 AS 47.17. Except as provided under (b) of this section, the department shall prepare a  
 11 staffing report if the department is unable

12 (1) to employ the number of qualified employees necessary to ensure  
 13 that

14 (A) the department reasonably and safely minimizes the time a  
 15 child is not in a permanent living arrangement or under a permanent  
 16 guardianship;

17 (B) a child is not removed from the child's home when it is  
 18 possible and in the child's best interest for the department to work with the  
 19 child's family to prevent the removal of the child from the child's home;

20 (C) each child is placed in a permanent home not more than 24  
 21 months after the date the child is first removed from the child's home;

 26 reports of harm under AS 47.17;

27 (3) for a new employee who supervises the care of a child committed  
 28 to the supervision or custody of the department under AS 47.10, works with families  
 29 to prevent the removal of a child from the child's home under AS 47.10, or

4 (i) before the beginning of an employee's fourth month  
5 of work with the department, the employee may supervise not more  
6 than six families;

8 of work but before the end of the employee's sixth month of work with  
9 the department, the employee may supervise not more than 12 families;

10 (iii) when an employee supervises families in a region  
11 where travel distances negatively affect the employee's ability to  
12 supervise families and the employee has worked for the department for  
13 less than 12 months, the employee may not supervise the maximum  
14 number of families provided under (i) and (ii) of this subparagraph; and

15 (4) for an employee, other than a new employee, who supervises the  
16 care of children committed to the supervision or custody of the department under  
17 AS 47.10, works with families to prevent the removal of a child from the child's home

20 (b) If a staffing report is required under this section, the department shall  
21 explain in the staffing report why the department is not able to meet the standards, the  
22 amount of funding that would be necessary to meet the standards, and the effects on a  
23 child and the child's family of not meeting the standards. The department shall include  
24 the staffing report in the annual report to the legislature required under AS 18.05.020.

25 (c) Notwithstanding any other provision of this section, the department is  
26 immune from suit under this section if the department was unable to meet the  
27 workload standards and adjusted workload standards because of a lack of sufficient  
28 appropriations or because the department's efforts to recruit or retain employees did  
29 not result in an adequate number of qualified applicants to meet the workload  
30 standards, as outlined in the staffing report.

31 \* **Sec. 12.** AS 47.14.115 is amended by adding a new subsection to read:

1 (b) If the department determines that it is in the best interests of a child in the  
 2 department's custody to place the child with an adult family member who does not  
 3 have a foster care home license under AS 47.32, the department shall assist the adult  
 4 family member in obtaining a license, including assisting the adult family member  
 5 with obtaining any variances necessary to obtain the license, so that the family  
 6 member is eligible for payments under AS 47.14.100(b) and (d).

7 \* **Sec. 13.** AS 47.18.320 is amended by adding a new subsection to read:

 14 copy;
- 15 (2) social security card;
- 16 (3) health insurance information;
- 17 (4) medical records;
- 18 (5) driver's license or identification card; and
- 19 (6) certificate of degree of Indian or Alaska Native blood, if  
 20 applicable.

21 \* **Sec. 14.** AS 47.32.032 is amended by adding a new subsection to read:

22 (c) To the extent feasible, the department shall approve or deny a foster care  
 23 home license, including a request for a variance under this section, not more than 45  
 24 days after the date the department receives the application for a foster care home  
 25 license. If it is not feasible to approve or deny a foster care home license not more than  
 26 45 days after receiving the application, a supervisory-level employee may authorize a  
 27 longer period of time for the decision, but the period must be the shortest period  
 28 feasible.
