

## Current Law

5 year cap with option for renewal.

Education funding (*Required Local Contribution*) may be exempted from new property tax revenue from new project for first 5 years. After that, must be accounted for before the remaining property tax revenue can be exempted or deferred under a renewal.

## HB 156

5 year cap removed. Length of property tax exemption/deferral up to local government.

Education funding (*Required Local Contribution*) must still be funded but it is up to local government to decide what source of revenue to use, not required to use property tax revenue.

Adds new language in statute:

An exemption or deferral on the property enables a significant capital investment in physical infrastructure that expands the tax base of the municipality; and will generate property tax revenue after the exemption expires.
