Vision for Medicaid Redesign

The Alaska Medicaid Program improves health and pays for value.

*Medicaid Enrollees
Access Appropriate
Level of Care*

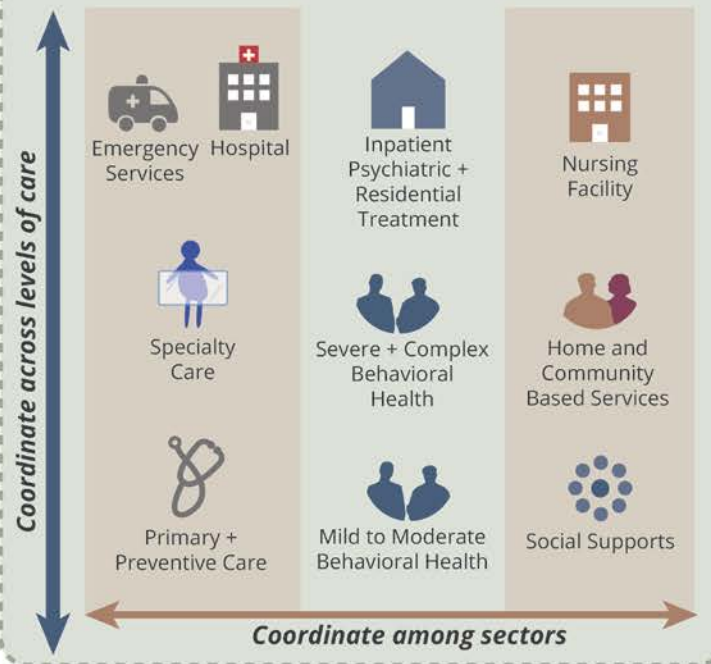

PRINCIPLES + VALUES

- ✓ Collaborate for whole person, high quality integrated care
- ✓ Focus on health promotion, prevention, maintenance and recovery
- ✓ Coordinate care across providers and integrate across service types
- ✓ Meet the needs of various life stages
- ✓ Ensure culturally and community appropriate services
- ✓ Reduce administrative burden
- ✓ Increase patient and provider satisfaction
- ✓ Increase access to services with telehealth
- ✓ Provide services in the most appropriate setting
- ✓ Reduce gaps in care
- ✓ Engage enrollees to improve health and social conditions
- ✓ Share responsibility among participants, providers and payers
- ✓ Connect providers and payers through health information infrastructure
- ✓ Use data analytics to drive effective, high-value care
- ✓ Leverage federal dollars

A SYSTEM OF WHOLE PERSON, HIGH VALUE CARE

Tools for High Value Care

Value-based Payments and Incentives | Care Management
Data Analytics and Health Information Technology

Prevention + Community Health

Social Determinants of Health

Safe Housing, Employment, Education, Life Skills, Physical Environment, Social and Community Connections

OUTCOMES

IMPROVE HEALTH

CONTAIN COSTS

OPTIMIZE ACCESS

INCREASE VALUE

Primary Care Case Management & Health Homes

- Primary Care Case Management
 - Temporarily expand Alaska Medicaid Coordinated Care Initiative (AMCCI)
 - Allow Coordinated Care Demonstration Projects and behavioral health system reform to develop and test new models.
 - Then transition Medicaid recipients to appropriate program
- Health Homes
 - Planning for Health Homes = 2018
 - Scheduled implementation = July 1, 2018
 - Coordinated Care Demonstration Projects may pilot test Health Home model earlier
 - Other reform initiatives may choose to implement a Health Home model

Behavioral Health System Reform

- Comprehensive behavioral health reform
 - Alaska Mental Health Trust Authority partnership
- Section 1115 Waiver will be requested from CMS to provide flexibility in Medicaid coverage and payment policies
 - Waiver Concept Paper submitted to CMS - January 4, 2017
 - Submit Waiver application to CMS - July 2017
 - Milliman, Inc. is providing actuarial consulting and analyses.
- Contract with Administrative Services Organization (ASO) to support systems of care
 - Release ASO Request for Information - February 2017
 - Award ASO Contract - January 2018

Coordinated Care Demonstration Projects

- Test new delivery system and payment models
- Request for Information
 - 12 responses: regional ACO-type models to statewide full risk managed care
- Pacific Health Policy Group - technical assistance
- Milliman, Inc. - actuarial consulting and analysis
- RFP released December 30, 2016 as required by SB74
- Anticipate intensive and iterative proposal evaluation and negotiation process through-out CY 2017
- <http://dhss.alaska.gov/HealthyAlaska/Documents/RFP%20170007291%20Medicaid%20CCDP%20FINAL.pdf>

Coordinated Care Demonstration Projects

- RFP Issued – 12/30/16
- Release of Medicaid Data Book by Milliman – 2/28/17
- Receipt of Questions – 3/27/17
- Receipt of Proposals – 4/17/17
- DHSS & Actuarial Review and Analysis of Proposals Submitted to Proposal Review Committee (PRC) – 5/31/17
- PRC Evaluation Completed – 6/15/17
- Conclude Contract Term Negotiations with Successful Offerors – 8/31/17
- Notice of Intent to Award a Contract(s) – 8/31/17
- Anticipated Federal Approval Receipt Date – 12/31/17
- Anticipated Contract(s) Effective Date – 1/1/18

DELIVERY SYSTEM REFORMS

1915 (i) and (k) Options

- Contracted with HMA to analyze potential opportunities, costs, and savings associated with these options

- Final report:

http://dhss.alaska.gov/dsds/Documents/MRICC/meetings/20160930/Implementation%20Plan_09292016.pdf

- HMA's Recommendations:
 - Move forward with 1915(k)
 - Institutional Level of Care
 - Consider other options for 1915(i)

Criminal Justice Reform (SB91 Integration)

- Dept. of Corrections (DOC) is the lead agency
- DHSS role
 - Removes the lifetime ban on food stamps for individuals with felony drug convictions, if conditions related to substance use treatment, recovery and rehabilitation are demonstrated
 - Increase access to evidence-base rehabilitation programs including drug and alcohol treatment, mental health and cognitive behavioral programs
 - Ensure those who are eligible, are enrolled in Medicaid and other available public assistance programs upon release from a correctional facility
 - Increased partnerships between DOC, DHSS and community service agencies to provide “in-reach” programming, consultation and support.

Emergency Dept. Care Improvement

- Alaska State Hospital & Nursing Home Association is the lead
 - Alaska Chapter of the American College of Emergency Physicians
- Similar to Washington state's "ER is for Emergencies" program
- Real-time information exchange is key to success
 - Emergency Department Information Exchange (EDIE) solution selected
 - Providence plans to go-live in February
 - Anchorage, Kodiak, Valdez and Seward
- Establish uniform statewide guidelines for prescribing narcotics
 - Final version are being reviewed by hospitals
 - Important tool to reduce opioid abuse in Alaska

Telehealth Workgroup

- Identify opportunities, barriers and solutions for expanding the use of telehealth
- Stakeholder representatives solicited in August
- Report / Recommendations - Annual Medicaid Reform Report
- Next Meeting: Feb. 9th at 9:00am
 - Public Notices for meeting announcements
 - <https://aws.state.ak.us/OnlinePublicNotices/Notices/Search.aspx>
 - Search “Medicaid Redesign”

DELIVERY SYSTEM INFRASTRUCTURE
