Date: 01/25/18

FISCAL NOTE ANALYSIS**STATE OF ALASKA
2018 LEGISLATIVE SESSION****Analysis**

This bill would make confidential certain records of animal importation and laboratory testing. Confidential records may still be disclosed if there is a threat to the health or safety of an animal or the public. The duties related to the Office of the State Veterinarian within the Environmental Health Laboratory are unchanged with this legislation, so there would be no fiscal impact to the Department.
