FISCAL NOTE ANALYSIS

STATE OF ALASKA 2018 LEGISLATIVE SESSION

BILL NO.	HB310
----------	-------

Analysis

HB 310 version "A" amends AS 25.05 <i>Alaska Marriage Code</i> to align with the 2014 <i>Obergefell</i> decision legalizing same-sex marriage and removes the eligibility requirements for marriage among minors, preventing any party under age 18 from marrying in the state unless emancipated or an active duty service member.
The Bureau of Vital Statistics issues marriage licenses (as does the Alaska Court System). The combined amount of marriages and divorces involving a party under the listed age of 18 is less than one percent of all total marriages and divorces between 1990 and 2016.
This bill would require the Bureau to update marriage license application forms on its website which could be accomplished with existing resources. Therefore, this is a zero fiscal note.
