FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION

BILL NO. SB122

Analysis

SB 122 repeals the authority for existence of a child abuse or neglect citizen review panel in the Department of Health and Social Services, and reestablishes the Child Protection Citizen Review Panel within the Legislature's Office of the Ombudsman component.

The Citizen Review Program was established in response to the federal Child Abuse Prevention and Treatment Act (CAPTA), requiring states that receive CAPTA grant funds to develop and establish Citizen Review Panels. (Section 106(c) of the CAPTA Reauthorization Act of 2010).

The FY2018 budgeted authority for Citizen's Review Panel coordination is \$96.6 unrestricted general fund within the Office of Children's Services Front Line Social Workers component. Since the Ombudsman's Office does not operate a CAPTA grant program, a Reimbursable Services Agreement between the Office of Children's Services and the Ombudsman's Office will likely be established as a Panel funding transfer mechanism between agencies.
