Re: HB267 and Borough Policy on Guided Trips

Tim,

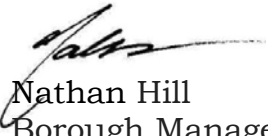

I wanted to follow up on some of the discussion today regarding HB 267. There seemed to be some confusion as to what the Borough policy was on guided trips in the Borough.

The first point I wanted to clarify was that the Borough has a per person, per day tax on guided trips into the Borough. The tax applies to hunts whether or not they are successful.

The second point was regarding guided trips that had camps within Borough boundaries. These operators are taxed regardless of where they travel or take game. If they are camped within Borough boundaries they must pay per person, per day tax, even if they are crossing over the boundary during that time.

I hope this clears up any questions that arose during the hearing this morning. Please feel free to contact me with any other follow-up questions.

Thank you,

  
Nathan Hill  
Borough Manager
