MEMORANDUM

March 9, 2018

SUBJECT: Changes to SB 109 (CSSB 109(JUD);
Work Order No. 30-GS1938\D)

TO: Senator John Coghill
Chair of the Senate Judiciary Committee
Attn: Jordan Shilling

FROM: Hilary V. Martin *HVM*
Legislative Counsel

Attached is a Senate Judiciary CS for SB 109. Our office has made a number of edits to this draft to conform to the *Manual of Legislative Drafting* and for clarity.¹ In addition to numerous editorial changes, the following are the more significant changes to the CS:

- (1) The paragraphs in sec. 12.62.400(c) were reordered to be in alphabetical order, and the definition of agency was revised to refer to the definition in sec. 39.90.290.
- (2) Throughout the bill, "current or prospective" was removed before "contractor," as the definition of contractor includes a current contractor and an applicant for a contract.
- (3) Section 3 of the bill was rewritten to create a new article. The numbering was updated to reflect this change.
- (4) The definitions in sec. 3 of the bill were moved into their own section.
- (5) The effective date was changed to July 1, 2018.

If I may be of further assistance, please advise.
