**Subject:** HB 6 - Jonesville Public Use Area

All,

I'm asking for support on this legislation, as I believe it is the initial step into taking back the area from the lawless and reckless behaviors of non-residents of Sutton. The natural beauty of the Jonesville area should be for the benefit of all Alaskans and not a lawless few. We should be able to use the area without concerns over our safety of stray bullets, fires, public drunkenness and off-road vehicles run amok. The destruction of the natural environment needs to stop. This legislation is a start. Thank you.
