FISCAL NOTE ANALYSIS

STATE OF ALASKA
2017 LEGISLATIVE SESSION

BILL NO. HB 24

Analysis

This legislation adds U-47700 to Alaska's list of schedule IA substances and will also allow law enforcement to stop those who are distributing the substance. Violation of this section of statute is misconduct involving a controlled substance and could increase the number of offenders placed under the Department's custody.

Potential financial impacts to the Department could range anywhere from \$0.00 (no time served) to \$149.62 (per day) for each offender incarcerated under this legislation; however, there is not sufficient data at this time to determine the full impact to the prison population of this legislation.

The Department will continue to monitor the financial impacts of this legislation if passed.
