# SB 108 State Medical Board

By request from the State Medical Board

Senator Cathy Giessel

# Purpose

### 1. Streamline Physician Licensing

### 2. Need for office assistants

# Streamline MD licensing

#### Section 1, 2, 8, 9, 10 State Medical Board to write regulations to delegate to EXECUTIVE ADMINISTRATOR:

1. review applications and <u>grant license</u> if requirements are met

2. review applications and <u>issue temporary</u> <u>license</u> if requirements are met

 <u>grant certification</u> if requirements are met
spells out <u>prohibitions</u> to this delegated authority

### Streamline MD licensing

Section 10, 11

1. Allows another person, designated by the board, to help the Executive Administrator to <u>issue temporary</u> <u>license</u>.

2. Outlines when this could happen

### **Unlicensed Assistive Personnel**

Unlicensed personnel trained in <u>"routine medical tasks"</u>

#### Section 3 Regulations will

- o **<u>authorize delegation</u>** to unlicensed person
- prohibit delegation of pain management or opioid related activities
- o **define** "routine medical tasks"

### Unlicensed Personnel "medical assistants"

Section 6

adds person, performing **delegated "routine medical duties"** to exception under "License to practice medicine, podiatry, or osteopathy"

Section 12 Adds **"medical assistant"** to list to practice medicine

Section 14

adds **"medical assistants"** to **definition of "medical professional"** under Title 12 Criminal Procedure

# Medical assistants - license/certification

### Why?

<u>Prescription Drug Monitoring Program</u> (PDMP) ~prohibits access by any unlicensed person ~envisioned clinician delegates "look up" before prescribing

#### **Problem**

~<u>No licensed people</u> in MD clinic, other than the MD ~Frequent need to check PDMP (AS 17.30.200 requires license).

# Medical assistants - license/certification

### Solution - recognize training and certification

- Training programs accredited by
  - Commission on Accreditation of allied Health Education Programs (CAAHEP)
  - Accrediting Bureau of Health Education Schools (ABHES)

8

#### National exams for Certification

Alaska's community colleges training programs

Recognized in many other states/territories. WA, CA, TX, FL, PA, OH, IL, MT, MS, ND, SD, WY

# Medical assistant with certification Process defined

Section 4

**<u>Certifying</u>** process defined in regulation by Board

Q

Section 5 Limits use of term "certified"

Section 13 <u>Certification</u> is equivalent to a license

### **Urgent need for SB 108**

Efficient, expeditious and effective <u>licensing of</u> <u>MDs</u>

Legal clarity for <u>delegation of "routine medical</u> <u>duties" to unlicensed personnel (medical</u> assistants)

More legally stringent delegated activities to <u>licensed entity, a medical assistant who has</u> <u>achieved certification</u>

### **Urgent need for SB 108**

These changes needed this session

#### **SUPPORT:**

State Medical Board (requested) Dept of Commerce Alaska State Hospital and Nursing Home Association Alaska State Medical Association Foundation Health Partners (Fairbanks)

#### No opposition
