CSHB 231 (FSH) Alaska Commercial Fisheries Entry Commission

Presented by

Sylvan Robb, Deputy Commissioner, Administration

Fate Putman, Commissioner, Commercial Fisheries Entry Commission

Commercial Fisheries Entry Commission

- The Commercial Fisheries Entry Commission (CFEC) is a regulatory and quasijudicial agency that is tasked to:
 - Limit entry of participants and vessels into the commercial fisheries
 - Issue and transfer annual commercial fishing permits and vessel licenses
 - Adjudicate appeals of actions including denials of applications and transfers
 - Study, analyze, and report on the economics and stability of commercial fisheries
 - Ensure reliable and timely access to fishery data; and
 - Promote the conservation and sustained yield management of Alaska's commercial fishery resource
 - Assess demerit points against or suspend fishing privileges of permit holders for convictions for violations of commercial fishing laws

What HB 231 Does

- Reduces number of commissioners of the CFEC from three to two
- Changes compensation for commissioners:
 - o Commissioner serving as chair retains a Range 27(\$8789/month)
 - o Pay for second commissioner is reduced to a Range 24 (\$7225/month)
- Removes the CFEC staff from exempt service and assigns them to classified service
 - o Division of Personnel/Labor Relations will perform a classification study and place positions on appropriate classified pay scale
 - o Current CFEC staff will not receive a reduction in pay—their pay will be "frozen" until the pay scale catches up to the newly classified position
 - o New CFEC staff will start at the new Range/Step A
 - o Staff will be represented by appropriate unions—Supervisors Union (SU) and General Government Unit (GGU) or Confidential Employees Association (CEA)

Why is HB 231 Needed

- Caseload is lighter
 - o Decisions from the CFEC have declined over time
- Save money
 - o Align commissioners to similar ranges of similar positions (OAH, Hearing Officers)
 - o Align staff with similar positions in classified service
