Greetings from Anchorage or should I say Los Anchorage....

Crime is so out of control with car theft up 300%, drugs are rampant, theft and break ins are a daily occurrence and many of the same crowd continue these acts. There is definitely not enough punishment for their crime. Please please amend the law and put these criminals in jail and let them know we as a society are not going to put up with this any longer. If they only get a slap on the hand, it's not enough to stop them from their repeat crimes. More police won't help if they cannot have the criminals prosecuted properly. Please toughen up on theft, breaking and worse yet, homicides.

Thank you for reading.
