Version D includes the following changes to HB 346 version A:

- Section 1 – No change
- Section 2 (b)(1) – Adds language regarding when a temporary permit to practice dentistry may be issued by the boards to include language allowing for other qualifications to be met as established by regulations.
- Page 2: Amends subsection (g) by removing “(3) completed application for and the fee required for licensure under this chapter.” as this is duplicative language now contained in Section 2 (a)(3).
