

THE STATE
of **ALASKA**
GOVERNOR MICHAEL J. DUNLEAVY

DEPARTMENT OF COMMERCE, COMMUNITY AND
ECONOMIC DEVELOPMENT

DEPARTMENT OVERVIEW

Presented to the Senate Finance Subcommittee

Julie Anderson, Commissioner

April Wilkerson, Administrative Services Director

February 4, 2019

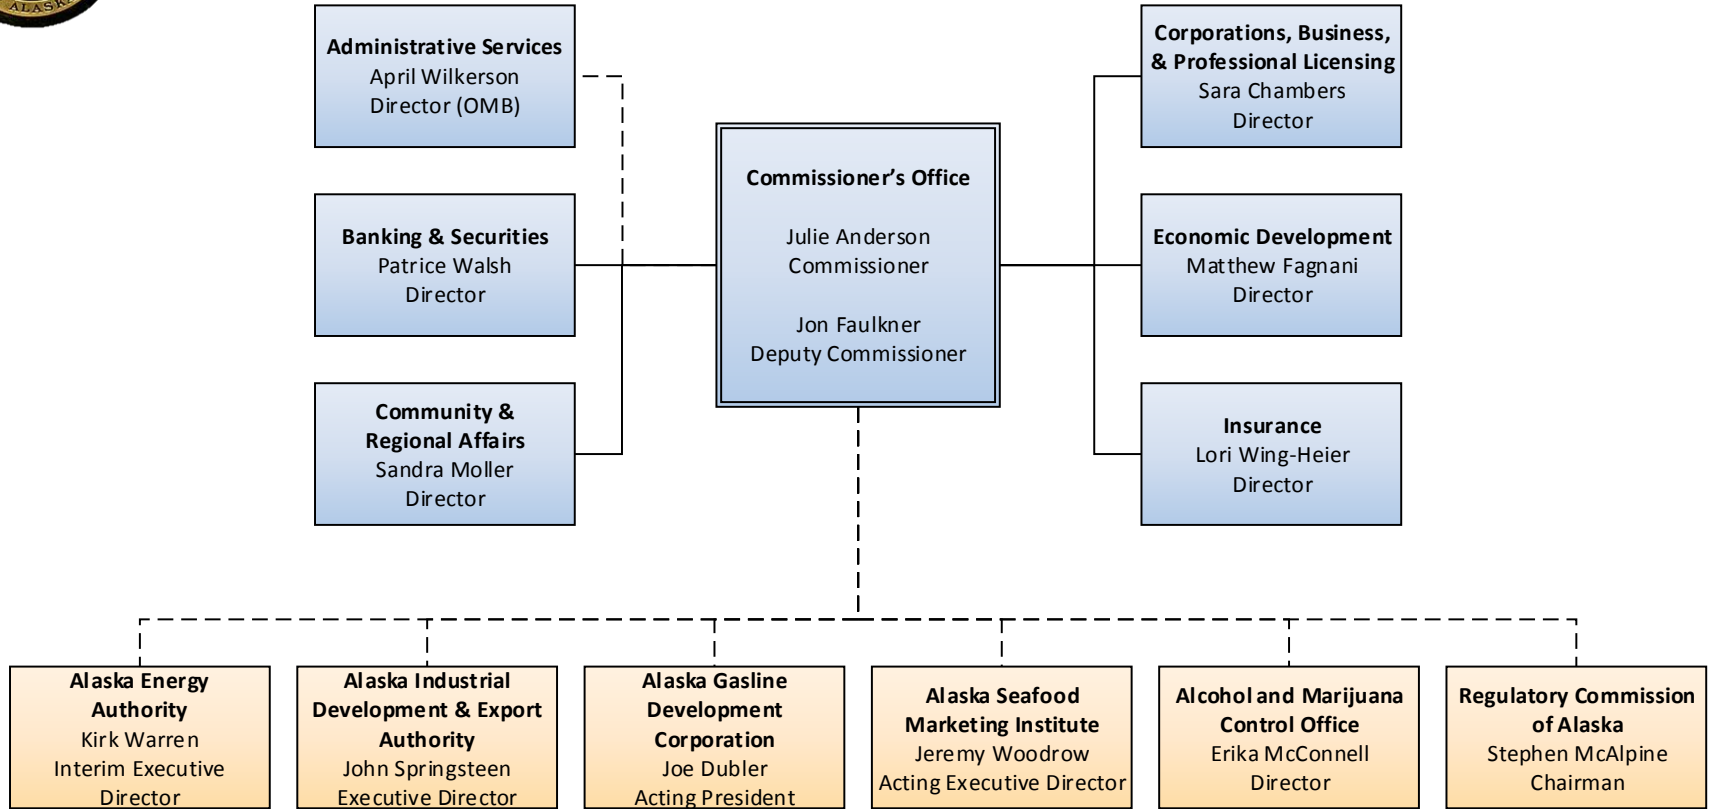

Department Objectives

- Focus core services on customers needs
- Work across departments to eliminate duplication
- Cut red tape by rolling back regulations where appropriate
- Reduce reliance on government
- Realign for efficiencies
- Focus on jobs and a healthy economy
- View regulations through a risk based lens

Department Organization

Mission and Core Services

Promote a healthy economy, strong communities, and protect consumers in Alaska.

Framework for a Strong Economy:

- Economic Growth
- Strong Communities
- Affordable Energy
- Consumer Protection

FY2019 Performance Measures

<https://www.omb.alaska.gov/html/performance/program-indicators.html?p=10>

Economic Growth

Division of Economic
Development

Alaska Industrial
Development and
Export Authority

Alaska Seafood
Marketing Institute

Economic Growth

Division of Economic Development

- Helping Alaska's private sector create jobs and economic opportunity
- Matthew Fagnani, Director
- Comprised of two budgetary units: Economic Development and Investments.

Director
Matthew Fagnani

Economic Development

- Promote economic development opportunities.

Business Development – Collaboration with private industries, communities, state agencies, and trade organizations to promote the expansion of economic opportunity in the state. Marketing, research, public awareness campaigns, policy, technical assistance, and governmental coordination.

Made in Alaska & Alaska Product Preference - Promoting Alaska manufacturing through consumer-targeted Made in Alaska marketing campaign and the Alaska product preference program for state contracts. To qualify, DED certifies that at least 25 percent of the product's value is added in Alaska.

Economic Growth

Division of Economic Development (continued)

Investments

- Grow Alaska's economy by promoting and administering direct loan programs to Alaskans ineligible for traditional financing opportunities.

Finance – promoting and administering direct loan programs including origination, servicing, and collections.

-

Economic Growth

Alaska Seafood Marketing Institute

- Increase the economic value of Alaska's seafood resource through awareness, marketing, planning, industry analysis, advocacy, and research.
- Jeremy Woodrow, Acting Executive Director

Acting Executive Director
Jeremy Woodrow

ASMI is governed by a board of directors and is funded primarily by a tax on seafood processors approved by the processors themselves. The current tax assessment is .5% of the value of seafood products produced in Alaska.

U.S. Retail Marketing – works with Alaska seafood suppliers and retailers to support sales and marketing.

U.S. Foodservice Marketing - works with foodservice operators to handle, menu and promote wild Alaska seafood products.

International Marketing - key markets, retail and food promotions, technical seminars, and chef and retail Alaska seafood training.

Seafood Technical Support – food safety, quality, nutrition and food labeling; seafood sustainability and seafood purity.

Economic Growth

Alaska Industrial Development and Export Authority (AIDEA)

- Provide various means of financing and investment to promote economic growth and diversity in Alaska.
- John Springsteen, Executive Director

Executive Director
John Springsteen

AIDEA is a public corporation financing economic development projects, infrastructure needed for resource development, and efficient and cost effective energy generation.

Loan Participation – provides long term financing, both taxable and tax-exempt, to borrowers

Project Development – provides financing to develop, own, and operate facilities within the State

Infrastructure Development – provides financing for the development of infrastructure

Conduit Revenue Bonds – acts as a conduit for the issuance of either taxable or tax-exempt bonds.

Strong Communities

Division of Community
and Regional Affairs

Revenue Sharing
Programs

Strong Communities

Division of Community and Regional Affairs (DCRA)

- Sandra Moller, Director
- Comprised of two budgetary units: Community and Regional Affairs, and Revenue Sharing.

Community and Regional Affairs

- Helping Alaska's rural communities build sustainable economies and a means of self-governance
 - Alaska Constitution Title X

Director Sandra Moller

Municipal & Community Policy & Research

- Alaska Native Language Preservation and Advisory Council
- Community Mapping
- Local Boundary Commission
- Municipal Land Trust
- Office of the State Assessor
- Research and Analysis

Serve Alaska

- Promote volunteerism

Local Government Assistance / Rural Utility Business

Advisor

- Bulk Fuel Revolving Loan Fund
- Floodplain Management program

Rural Utility Business Advisor (federally funded)

Community Aid & Accountability

- Grants administration (operating and capital)
- Community Assistance Program administration

Strong Communities

Revenue Sharing Programs

- Facilitate state and federal revenue sharing with Alaska communities.
 - Fisheries Taxes
 - National Forest Receipts
 - Payment in Lieu of Taxes

Community Assistance Program

- Planned distribution of approximately \$30 million to communities on July 1, 2019

Affordable Energy

Alaska Energy
Authority

Alaska Gasline
Development
Corporation

Affordable Energy

Alaska Energy Authority

- Reduce the cost of energy in Alaska.
- Kirk Warren, Interim Executive Director
- Positions are housed in AIDEA
- AEA agency operations
- AEA Power Cost Equalization

Interim Executive Director
Kirk Warren

The Alaska Energy Authority (AEA) is a public corporation and is the state's energy office and lead agency for statewide energy policy and program development.

- Builds modern, code-compliant bulk fuel tank farms in rural Alaska, latest generation, high efficiency rural powerhouses and renewable energy projects.
- Manages the Renewable Energy Fund, the Emerging Energy Technology Fund, the Power Cost Equalization Program and various Energy Efficiency and Conservation Programs.
- Owns energy infrastructure for the benefit of Alaskans.

Affordable Energy

Alaska Gasline Development Corporation

- Ensure that Alaska's vast North Slope natural gas resources are available for the maximum benefit and use of Alaskans. Responsible for advancing two alternatives – the Alaska Stand Alone Pipeline (ASAP) and the Alaska LNG project.
- Joe Dubler, Interim President

Interim President
Joe Dubler

Alaska Moving Forward - The Alaska Gasline Development Corporation is an independent, public corporation of the State of Alaska. AGDC will maximize the benefit of Alaska's vast North Slope natural gas resource through the development of infrastructure necessary to move the gas into local and international markets.

Consumer Protection

Corporations,
Business, and
Professional
Licensing
