FISCAL NOTE ANALYSIS

STATE OF ALASKA
2019 LEGISLATIVE SESSION

BILL NO. SB029

Analysis

SB029 extends the Board of Marine Pilots to June 30, 2027.

This bill extends statutory authorization for the existing Board of Marine Pilots. Adoption of the bill will continue existing activities by the board and administration by the division. Failure to adopt the bill will result in a one-year wind down of the board in FY2020, and the division will assume all licensing responsibility in FY2021.

If the bill passes the following expenses will be incurred:

Travel: \$26.9 (7 board members and 1 staff to attend four board meetings per year)

Services: \$0.4 (advertising of public notice of board meetings)

\$1.0 (Training and Conference Fees)

\$0.1 (stipends for board members attending board meeting in community of residence)

Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services, fund source 1156 Rcpt Svcs (DGF). Licensing fees for each occupation are set per AS 08.01.065 so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.
