I would like to add my support to Vivian Stiver for appointment to the Marijuana Control Board.  
It only makes sense to appoint those with views of both pro and con. I think she will be a good asset to the board.

To whom it may concern

I am writing this letter in support of Vivian Stiver's appointment to Marijuana Control Board. Ms. Stiver has done her homework and is well researched on the topic of marijuana and she continues to learn. Her goal is to educate people regarding the regulations so they gain confidence in the industry and to ensure regulations are fair.

She is not a prohibitionist, she is simply looking to see that everyone is educated about the industry and is comfortable having this new industry here.

I have known Vivian in a professional standing for the last 6 years and she would never be unjust. Education is simply all  
is she is trying to accomplish. 

Thank you for your time

To whom it may concern:

I support Vivian Stivers appointment to the Marijuana Control Board and I believe it is crucial that we have a balanced opinion on that board. If we don't have people on that board that are critical of the industry then it is not a "Control Board" it is simply a permit board.

Madame Chair, Committee,

I encourage your support for the confirmation of Vivian Stiver to the Marijuana Control Board. She will be an excellent representative for the public seat.

I know Vivian. She will be a good voice for the public. She is well informed on the topic and very able to work within the regulatory and statutory process. She leads with a smile and listens to everyone. She respects the integrity and opinions held by others. She is a force of calm and thoughtfulness.

I believe Vivian is best able to help the new industry as it seeks to self regulate itself.

Sincerely,

**Subject:** Vivian Stiver Confirmation

Dear Senators,

I hope you will confirm the Governor's selection of Vivian Stiver for the Marijuana Control Board. While Ms. Stiver might have been a strong supporter of the NO Campaign for the legalization of marijuana I believe she will respect the vote of the people and will help to promote and support the industry in fair and balanced approach. There can be differences in opinions in any industry and the citizens of Alaska deserve the diversity within our boards to balance the decision making of any board to fulfill the best interest of our communities. While I know many people will oppose her appointment I hope you will see her as a positive influence in this very new industry and allow the Governor's selection the confirmation it deserves. I have known Vivian in our interior community for many years and believe she is a professional in all she does, will work hard for the industry, and will serve Alaska with dedication.

Thank you for working hard for Alaskans and I hope you will confirm Ms. Stiver for this important commission.
