FISCAL NOTE ANALYSIS

STATE OF ALASKA
2019 LEGISLATIVE SESSION

BILL NO. SB 7

Analysis

This legislation requires some state medical assistance program recipients be involved in work activity for a minimum of 20 hours per week in order to maintain eligibility. This requirement can be met by proof that the recipient is actively seeking employment, which could significantly increase traffic to Alaska job centers. This may result in increased wait times for Alaskans seeking assistance.

There is no fiscal impact to the Department of Labor and Workforce Development as a result of this legislation.
