Dear, Senator Chris Birch

My name is Jacob Fletcher, I am a registered guide in Alaska, Guide #1326. I've been working in the guiding industry for 20 years. Three of those years running a outfitting business on Kodiak Island and in the quaint village of Talkeetna.

I live in Palmer and spend my springs on Kodiak and summer's in Talkeetna, Alaska. I am a father and husband, my wife and I have 6 year old twins. Our employees and my personal family make a living by guiding in Alaska.

I personally fulfilled the requirements for becoming a Registered guide, I came up through the Big game commercial services board guiding system. Throughout that process I was thankful for the professionalism and their testing requirements.

Thank you for your time.

Jacob Fletcher
