FISCAL NOTE ANALYSIS

STATE OF ALASKA
2019 LEGISLATIVE SESSION**Analysis**

This bill makes several changes to current law relating to sex offenders and sex offender registration requirements. Specifically, the bill amends the definition of “sex offender or child kidnapper” under AS 12.63.100(5) to include a person who is required to register as a sex offender under the laws of another jurisdiction; amends the definition of “sex offense” under AS 12.63.100(6)(A) relating to murder in the first degree to include offenses in which a person is required to register as a sex offender under the laws of another jurisdiction; and amends the definition of “sex offense” under AS 12.63.100(6)(C) by adding a new sub-subparagraph to include the offense of indecent viewing or production of a picture under AS 11.61.123 as amended, if the conduct constitutes a class C felony under AS 11.61.123(f)(1) as amended.

AS 18.65.087 authorizes the Department of Public Safety (DPS) to maintain a central registry of persons required to register as sex offenders and child kidnappers under AS 12.63.010. Within DPS, the Sex Offender/Child Kidnapper Registry office validates, verifies, and notifies sex offenders of the registration requirements. Currently, a person required to register as a sex offender in another jurisdiction is only required to register in Alaska if that person was convicted of an offense that is similar to a sex offense as defined in AS 12.63.100.

Should this bill pass, DPS anticipates the increase in the number of additional persons who would be required to register as sex offenders in Alaska would be minimal in terms of requiring additional staff or resources. Therefore, a zero fiscal note is being submitted.
