**Subject:** Jason Brune Support for ADEC Commissioner

I have known Jason Brune, the nominee for EPA Commissioner, for many years and can attest to his work ethic, honesty, wide Alaskan experience and ability to work with others in a professional manner. I can think of no other person better qualified to serve as ADEC Commissioner. His biology background combined with previous managerial experience will be a valuable asset to ADEC.

I urge your committee's approval of Jason Brune for this position.

Thank you,

Howard J. Grey
