HCR 4 expands the allowable membership of the Committee on Committees. The resolution amends the Uniform Rules to state that the Committee on Committees shall consist of a minimum of five members, including the presiding officer, while not exceeding 25% of the body. As written, the Uniform Rules allow for only five members to be assigned to the Committee on Committees. Since the Eighteenth Legislature, the number of members on the Committee on Committees has exceeded five. This resolution increases the number of allowable members, permitting the Committee on Committees to continue this practice without violating the Uniform Rules.
