Ashely Montague, Geneticist and Professor at Harvard and Rutgers Universities

Yet, the laws in Alaska arbitrarily ignore the humanity of *pre-born children* and legally define them as *property*, not as persons.

The Alaska LIFE At Conception Act is based on accurate science and constitutional law and ***guarantees the right to life*** to all persons from ***Conception to natural death.***

I, the undersigned ***call on Alaska’s Governor*** and ***all Legislators*** to do everything in your ***power to enact the “Alaska Life at Conception Act”*** and protect all innocent human Life from the moment of conception.
