2019 SESSION OPERATING BUDGET AMENDMENT

OFFERED IN: The House Finance Subcommittee

TO: HB 39 / HB 40

OFFERED BY: Rep. Foster

DEPARTMENT: Transportation

ADD: Restore non-UGF funding for Budget action items 1-26.

EXPLANATION: Reducing the non-UGF components do not effect the deficit and at best is a reduction of hollow authority and at worst does not allow the Department access to funds they could otherwise use to help offset the effect of UGF reductions.
