Re : Fishermen's Fund Legislation: HB 105

Dear Representative Ortiz:

On behalf of the Purse Seine Vessel Owners Association ("PSVOA"), I am writing to express our strong support for HB 105.

PSVOA is the largest fishing association on the West Coast representing small boat owners operating in a wide spectrum of fisheries, including state and federally managed fisheries in Alaska and the West Coast. By far, the most common fishery among PSVOA members is the Alaska salmon seine fishery.

PSVOA strongly supports HB 105, which amends AS § 23.35.145. Current law limits the amount of the benefit received by a commercial fishing vessel owner from the Fund to fifty percent (50%) of the owner's insurance deductible in cases where an injured crewmember files a claim for benefits with the Fund. HB 105 increases the owner's benefit to the full amount of the insurance deductible. HB 105 will provide additional financial incentive for vessel owners to obtain insurance to fully cover crewmembers in the event of an injury or illness at sea.

Thank you for sponsoring HB 105.

Very truly yours,

/s/ Robert Kehoe
