FISCAL NOTE ANALYSIS

STATE OF ALASKA
2019 LEGISLATIVE SESSION

BILL NO. HB 84

Analysis

This legislation amends the presumption of compensability for firefighters under AS 23.30.121 to include emergency medical technicians, paramedics, and peace officers, and to add breast cancer as a covered condition.

The only cost to the department associated with this legislation would result from amending regulations to affect these changes. The department is able to absorb the costs.
