FISCAL NOTE ANALYSIS

STATE OF ALASKA
2019 LEGISLATIVE SESSION

BILL NO. HJR 14

Analysis

This resolution requires the department to work collaboratively with the City of Nome to provide technical support through the completion of the feasibility and design phases of establishing a deep draft Arctic port and assist the City of Nome in developing innovative funding strategies for the city's construction cost share. The resolution would also require the department to send a letter to the Alaska Congressional delegation supporting a deep draft Arctic port in Nome.

This proposal creates no significant fiscal impacts for the department.
