Explanation of Changes

CS SENATE BILL NO. 43 (FIN)

version: 31-LS0442\M

Amends section 1 to reduce the sunset extension to 5 years (June 30, 2024).

Adds section 2, which allows the board to immediately suspend a license for violations that already disqualify a person from receiving or renewing that license.

Adds section 3, which increases the minimum qualifications for a master-guide outfitter license, including a requirement to have a clean record for 15 years.

Adds section 4, which allows the board to revoke a master-guide outfitter license if a person's privileges are revoked or if the person is convicted of a violation. A person whose master-guide outfitter license is revoked under this provision can still be issued a registered guide-outfitter license if qualified.
