Alaska State Legislature
House Finance Committee

Representative Foster, Representative Wilson and the House Finance Committee

Dear Representative Foster, Representative Wilson and House Finance Committee:

My name is Bill Hill. I am a lifelong resident of Alaska and a committed educator working to provide a good education for the people of my hometown, the Bristol Bay Borough. The purpose of this testimony is to support forward funding for education.

An efficient, effective education system depends on timely and reliable funding. The legislature's efforts to forward fund education have reduced some of the uncertainty that has become inherent in Alaska's education system. Through your actions funding FY20 and FY21 in a responsible manner, we have had the opportunity to provide the stability that Alaska's students and educators deserve.

Alaska's educators and students encourage you to continue working to forward fund our education system.

Thank you for your leadership.

Regards,
