### AN ACT

Providing for the payment of Alaska permanent fund income to state residents; and providing for an effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1, LINE 10

Approved by the Governor: April 15, 1980  
Actual Effective Date: April 16, 1980 with Sections 1 and 2  
retroactive to January 1, 1979.

Chapter 21

### AN ACT

Providing for the payment of Alaska permanent fund income to state residents; and providing for an effective date.

\* Section 1. POLICY, PURPOSES AND FINDINGS. (a) It is the duty and policy of the state with respect to the natural resources belonging to it and the income derived from those natural resources to provide for their use, development, and conservation for the maximum benefit of the people of the state.

(b) The purposes of this Act are

(1) to provide a mechanism for equitable distribution to the people of Alaska of at least a portion of the state's energy wealth derived from the development and production of the natural resources belonging to them as Alaskans;

(2) to encourage persons to maintain their residence in Alaska and to reduce population turnover in the state; and

(3) to encourage increased awareness and involvement by the residents of the state in the management and expenditure of the Alaska permanent fund (art. IX, sec. 15, state constitution).

(c) The legislature finds that the accrual of permanent fund dividends provided in AS 43.23 enacted in sec. 2 of this Act, based on full years of residency since January 1, 1959, fairly compensates each state resident for his equitable ownership of the state's natural resources since the date of statehood. It is in the public interest to distribute a portion of Alaska's

energy wealth to the people of the state.

(d) The legislature also finds that state residents have been paying increasingly high prices for fossil fuels, while few have received direct monetary benefits from the production and development of fossil fuels belonging to them as Alaskans. It is in the public interest to return to state residents a portion of the state's income from oil, gas, and other mineral production to help offset rising fuel costs.

(e) The legislature also finds that there exists in the state a serious problem of population turnover. A substantial portion of the state's population is comprised of individuals who reside in Alaska for only a relatively short time. This constant turnover in population leads to political, economic, and social instability and is harmful to the state. It is in the public interest for the state to promote a stable resident population by providing an incentive to encourage Alaskans to maintain their residency in the state.

\* Sec. 2. AS 43 is amended by adding a new chapter to read:

CHAPTER 23. PERMANENT FUND DIVIDENDS.

Sec. 43.23.010. ELIGIBILITY FOR PERMANENT FUND DIVIDEND. (a) An individual who is eligible under (b) of this section is entitled to one permanent fund dividend for each full year that the individual is a state resident after January 1, 1959.

(b) For each year, an individual is eligible to receive payment of the permanent fund dividends for which he is entitled under this section if he

(1) is at least 18 years of age; and

(2) is a state resident during all or part of the year for which the permanent fund dividend is paid.

(c) To determine the number of permanent fund dividends to which an individual is entitled under (a) of this section, a year in which the

Chapter 21

individual is a state resident for less than 12 months may not be counted, but a payment of a permanent fund dividend may be made for that year under (f) of this section. A year for which an individual was entitled to payment of a dividend but failed to file a claim may be counted to determine the number of dividends under (a) of this section.

(d) An individual may receive payment of a permanent fund dividend in a single payment or in 12 equal installments paid monthly by the department.

(e) An individual eligible to receive payment of a permanent fund dividend may elect to defer receipt of that payment. The commissioner shall adopt by regulation a plan which, to the extent permitted under federal law, will allow an individual to defer payment of federal and state income taxes on the payment of permanent fund dividends until the individual actually receives the payment.

(f) If an individual who is eligible under (b) of this section was a state resident for less than 12 months during the year immediately preceding the year in which a claim is filed, the individual is entitled to payment of one prorated dividend. If that individual is also entitled to dividends under (a) of this section based on previous years as a state resident, he is entitled to receive a prorated payment for the total number of permanent fund dividends to which he is entitled under (a) of this section. A prorated dividend or prorated payment under this subsection shall be prorated on the basis of the number of months that the individual was a state resident during the year immediately preceding the year in which the dividend is claimed.

Sec. 43.23.020. PROOF OF ELIGIBILITY. (a) The commissioner shall adopt regulations under the Administrative Procedure Act (AS 44.62) for determining the eligibility of individuals. The commissioner may require an individual to provide proof of eligibility, or he may use other

Chapter 21

information available to him from other state departments or agencies to determine the eligibility of individuals. The commissioner may establish procedures for paying the permanent fund dividends along with other payments of money or state benefits.

(b) The department may prescribe and furnish an application form for claiming a permanent fund dividend which contains

(1) a statement of eligibility and a certification of residency in substantially the following form:

I certify that I am a state resident on the date of this application and I have been a state resident for \_\_\_\_\_ full years and that I understand that my claim for a permanent fund dividend is determined by the length of my residence in the state after January 1, 1959. I also understand that a false claim of residency to obtain a permanent fund dividend is a criminal offense and that if convicted I will forfeit all permanent fund dividends and that I must repay all permanent fund dividends which have been paid to me. I understand that this penalty is in addition to any criminal penalties imposed.

(signature of individual)

and

(2) a statement advising the individual that he may choose to receive the payment of a permanent fund dividend in a single payment or in 12 installments payable monthly and a space where the individual may indicate his choice of payment.

Sec. 43.23.030. AMOUNT OF DIVIDEND. By December 1 of each year the commissioner shall give public notice of the value of each permanent fund dividend to be paid in the following year. The commissioner shall determine the value of a permanent fund dividend by

Chapter 21

(1) determining the amount of income of the Alaska permanent fund transferred to the dividend fund under AS 43.23.050(b) in the current year, less the amount, if any, to be repaid in the current year to the general fund under AS 43.23.050(c);

(2) determining the number of permanent fund dividends paid during the current year; and

(3) dividing the amount determined in (1) of this section by the amount determined in (2) of this section.

Sec. 43.23.040. PENALTIES AND ENFORCEMENT. (a) In addition to any criminal penalties imposed by state law, if an individual is convicted of unsworn falsification for a statement made in a certification of residency made for purposes of this chapter, and the conviction is not reversed, that individual is not, and may never become, eligible for a permanent fund dividend, and he forfeits all permanent fund dividends paid to him.

(b) If the commissioner determines that a permanent fund dividend should not have been claimed by or paid to an individual, he may use any collection procedures or remedies available under this title to recover the payment of a permanent fund dividend which was improperly made.

Sec. 43.23.050. DIVIDEND FUND ESTABLISHED. (a) The dividend fund is established as a separate fund in the state treasury. The dividend fund shall be administered by the commissioner and may be invested by the commissioner in the same manner provided for the investment of the Alaska permanent fund under AS 37.13.120. Money in the dividend fund and any interest earned from investment of money in the dividend fund shall be used to pay permanent fund dividends annually and to repay loans from the general fund as provided in (c) of this section.

(b) Each year the commissioner shall transfer to the dividend fund 50 percent of the income of the Alaska permanent fund which was earned

Chapter 21

during the fiscal year ending on June 30 of the preceding year and which is available for distribution under AS 37.13.140.

(c) The legislature may annually appropriate money from the general fund to the dividend fund if there is not enough money in the dividend fund to pay each eligible individual an annual permanent fund dividend valued at \$50. One-fifth of the amount transferred to the dividend fund each year under (b) of this section shall be annually withdrawn from the dividend fund by the commissioner and deposited in the general fund to repay appropriations made under this subsection.

Sec. 43.23.060. DUTIES OF THE DEPARTMENT. The department shall

(1) by the 10th day of each regular legislative session, present a request to the legislature for an appropriation from the general fund to the dividend fund to satisfy the requirements of AS 43.23.050;

(2) annually pay permanent fund dividends from the dividend fund;

(3) adopt regulations under the Administrative Procedure Act (AS 44.62) which establish procedures and time limits for claiming a permanent fund dividend; the department shall set the time limit for applications for permanent fund dividends so that single-payment permanent fund dividends for a year are paid before October 15 of the following year and so that installment-payment permanent fund dividends for a year begin by October 15 of the following year; and

(4) assist residents of rural areas who because of language, illness, old age, or inaccessibility to public transportation need assistance to establish eligibility and to apply for permanent fund dividends.

Sec. 43.23.070. EXEMPTION OF PERMANENT FUND DIVIDENDS. (a) An eligible individual may assign, pledge, or encumber not more than 50

Chapter 21

percent of the annual permanent fund dividends which are due and payable or which may become due and payable to the individual.

(b) Fifty percent of the annual permanent fund dividends payable to an individual is exempt from levy, execution, garnishment, attachment, and any other remedy for the collection of a debt.

(c) Fifty percent of the annual permanent fund dividends paid to an individual which are not held separately from other money of the individual is exempt from levy, execution, garnishment, attachment and any other remedy for the collection of a debt.

Sec. 43.23.080. ELIGIBILITY FOR STATE PUBLIC ASSISTANCE PAYMENTS.

In determining the eligibility of an individual for old age assistance under AS 47.25.430 - 47.25.610, aid to the blind under AS 47.25.620 - 47.25.780, or aid to the permanently and totally disabled under AS 47.25.790 - 47.25.970, the Department of Health and Social Services may include as income of the individual only the amount of the permanent fund dividends in excess of \$1,500 paid to the individual for a year.

Sec. 43.23.090. TAX EXEMPTION. Permanent fund dividends provided under this chapter are exempt from taxation under AS 43.20.
