

House Finance Subcommittee FY20/21 Key Issues

University of Alaska

1. Compact Agreement

- a. What commitments did the University make?
- b. What commitments did the Governor make?
- c. Does this compact limit the legislature's appropriation authority?

2. UGF Reductions

- a. How is the University implementing reductions?
- b. How does the University plan to implement any future reductions?

3. Consolidation

- a. What did the university do to review possible consolidation?
- b. Why is the university currently structured this way?
- c. What benefits could be gained by consolidation and what are known draw backs?

4. Appropriation Structure

- a. Why does the university favor a single appropriation model?

5. University Receipts

- a. How is the university generating revenue?
 - 1. How is the university addressing student enrollment declines?
 - 2. What other means does the university have to generate revenue other than tuition?
- b. How does the University budget for University receipt authority and how does it handle so much unrealizable revenue?
