Date: 01/15/20

FISCAL NOTE ANALYSIS

STATE OF ALASKA
2020 LEGISLATIVE SESSION

BILL NO. HB 29

Analysis

HB 29 clarifies the extent that health care insurers shall provide coverage for benefits though telehealth by a health care provider licensed in Alaska and expands telehealth to be covered under all health care insurance policies that are regulated by the Division of Insurance.

The Division of Insurance does not anticipate a fiscal impact with the passage of HB29.
