## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2020 LEGISLATIVE SESSION

BILL NO. CSHB 138

### Analysis

This legislation would create an advisory commission within the Department of Environmental Conservation, which would accept and review nominations for outstanding national resource waters. The commission would have seven available seats, one of which would be filled by the commissioner of the Department of Fish and Game or the commissioner's designee.

The department is uncertain of the type and amount of work that would be involved in serving on the commission and review of nominations it receives. Therefore, the department cannot accurately project the fiscal impact of the legislation.
