Dear Members of the Senate Finance Committee:

We write in support of Senate Bill 52. We are the owners of Cynosure Brewing, a small brewery and tasting room in Anchorage.

SB 52 reflects eight years of stakeholder engagement, with meaningful improvements for public health, public safety, and all three tiers of the industry. The BGA and CHARR worked this past year to come to an agreement so that both entities can fully support SB 52. Language has been drafted that addresses entertainment and operating hours, and allows a more balanced and healthy industry. We would ask legislators support these changes.

Sincerely,

Cynthia Drinkwater and Clarke Pelz, Owners
