**House Bill 221 – An Act Providing for State Recognition of Federally Recognized Tribes**

**Explanation of Changes**

To date HB 221 has had two versions:

1. Version U was the original bill version heard in the House Special Committee on Tribal Affairs.
2. The House Special Committee on Tribal Affairs amended the bill and passed out a committee substitute—Version S.

The changes made in the Tribal Affairs Committee were to add a new Section 1, the uncodified legislative findings and intent. The rest of the bill sections are renumbered accordingly.

There are no other changes to the bill.
