Re: Statement of Support - Confirmation of Christopher Jaime to the Marijuana Control Board

Dear Senator Bishop and (S)L&C Committee Members:

We write you today in support of the appointment of Mr. Christopher Jaime to the Marijuana Control Board.

Mr. Jamie has demonstrated a fair and cautious approach while serving the Marijuana Control Board over the past year. Mr. Jaime has made understanding the regulated marijuana industry and our regulations a priority, including touring marijuana businesses and visiting with staff and licensees.

Mr. Jaime was appointed to serve the Public Safety seat. Mr. Jamie is an officer of the peace and has made public safety his career. He is well qualified for this seat and has proven to have a measured temperament that serves the position well.

The AMIA supports the appointment of Mr. Jaime. We hope you will vote to confirm Mr. Jaime to the Marijuana Control Board.

Thank you for your service and consideration.

Respectfully submitted on behalf of the AMIA Board,

Lacy Wilcox, President  
Alaska Marijuana Industry Association

**Re: Support for Confirmation of Lieutenant Christopher Jaime to the Alaska  
Marijuana Control Board**

Dear Senator Bishop & (S)L&C Members:

This firm represents a substantial portion of the marijuana licensees in the State of Alaska. Please accept this letter of support for the confirmation of Lieutenant Christopher Jaime to the Marijuana Control Board.

Although Lieutenant Jaime and I do not always agree on policy decisions, he has consistently brought a logical point of view and thoughtful insight to the Marijuana Control Board throughout this past year. His stance on matters are fair and grounded in protecting public safety.

While the regulated marijuana industry is new to Lieutenant Jaime, he has made a point to get a first-hand look at the different aspects of the industry by visiting local businesses in the Peninsula. We appreciate policy makers on all sides taking the time to visit licensed operations and understand the unique challenges and nature of the regulated marijuana industry.

Thank you for your continued support and service to our State and fellow Alaskans, it is very much appreciated.

Truly and Sincerely Yours,

  
Jana D. Weltzin, Esq.
