Subject: BOF choices

Representative Vance.
Thank you for the opportunity last evening to get a little glimpse at the board of fish candidates. For the board of fish recommendations I'd request you vote no on Abe Williams and John Jensen. John wood a yes and McKenzie Mitchell a maybe. She seemed to ride the fence quite a bit but yet was a better choice then Abe Williams or John Jensen. Thanks again and if you want further explanation I'd be happy to share more. Keep up your strong conservative stance. Might it be possible for you to check into legislation regarding so many pink salmon being planted from the hatcheries verses reds, kings or silvers? I'm researching the multinational North Pacific study so I can share it with people. When I find it again I'll forward it. Thanks.

Keep looking up!!!!

Andy
