

**Executive Order No. 119
Sectional Analysis**

Section 1: Findings of the Governor

Section 2: Amends AS 08.68.700 Determination of Death by Registered Nurse

The change made in subsection(g) of AS 08.68.700 was made to clarify that the regulatory authority under this section will be with the Department of Health.

The change under subsection (g) to the definition of “health care facility” was to ensure that the Department of Health and Social Services did not have regulatory authority over another department’s division. The Executive Order places the oversight and management of the Alaska Pioneer and Veterans Homes in the Department of Family and Community Services. This change does not preclude the Alaska Pioneer Homes and Veterans Homes from working with primary care physicians of their residents relating to the issuance of death certificates for residents.
